POWERING PROGRESS THROUGH STEEL

At Vibhor Steel Tubes Ltd, we believe that true strength goes beyond the products we manufacture. It lies in our commitment to quality, innovation, reliability, and the trust we build with our stakeholders.

Driven by a vision of sustainable growth, we continuously enhance our manufacturing capabilities, embrace technological advancements, and uphold the highest standards of operational excellence. Our steel tubes serve as critical components in infrastructure, construction, engineering, and industrial applications, supporting progress across diverse sectors.

As we move forward, we remain focused on creating long-term value through responsible business practices, customer-centric solutions, and a culture of continuous improvement. By combining expertise with innovation, we are strengthening connections, enabling development, and contributing to a resilient future.

Every tube we produce reflects our dedication to quality. Every partnership we build reflects our commitment to trust. Together, we are shaping a stronger tomorrow.

UNDER THE GUIDANCE OF ASTUTE AND EXPERIENCED LEADERSHIP, WE TRANSFORMED OUR FORTUNES AND DEFIED THE ODDS.

Every great success story begins with a challenge. For VSTL, the path to profitability was no exception. Faced with market turbulence and fierce competition, **we didn't just survive – we thrived.**

Today, we stand stronger than ever, **ready to seize the future with the same resilience that brought us here.**

Profitability is just the beginning. **Our journey has been meticulously planned and strategically executed, paving the way for a future brimming with possibilities.**

As we turn the page,
We are setting our sights on growth

GROWTH THAT GOES BEYOND THE BOTTOM LINE—GROWTH THAT IMPACTS MARKETS, COMMUNITIES, AND THE WORLD AT LARGE.

VIBHOR AT A GLANCE

Vibhor Steel Tubes Limited is the leading manufacturer for high-quality steel products in India, with an aim to make a mark on the global scale. Established in 2003, Vibhor Steel Tubes Limited specialises in the production, export, and distribution of steel pipes and tubes for various heavy engineering sectors across India.

Our diverse product range includes ERW pipes for water transport, oil, gas, and other non-toxic applications; hot-dipped galvanized pipes for agriculture and infrastructure; hollow section pipes in square and rectangular configurations; primer-painted pipes for enhanced protection and aesthetics; crash barriers for railway, highway, and road safety applications, and transmission line towers, high mast lighting poles, octagonal poles and monopoles, catering to a wide range of structural and engineering applications. With manufacturing facilities in Raigad (Maharashtra), Sundergarh (Odisha) and Mahabubnagar, (Telangana), as well as a warehouse in Hisar, Haryana, VSTL ensures efficient production and distribution.

OUR VISION

With a vision to provide GI and ERW pipe solutions to the industry standards across the country, Vibhor Steel Tubes Pvt Ltd was established in 2003. Since then, company's management has followed, and continues to do so, the basic philosophy of running a system that not only provides for its employees but also assists in the socio-economic structure of the industry and the country on the whole.

Quality is our uncompromisable trait and we are proud of our workforce that has inculcated it in every aspect of work at the company. And, with the will to give it our best, we have set out our aim - To make our organization a harbinger of change, ushering in economic growth and development, maintaining long-term sustainability.

Accepting all challenges is the first chapter in every success story. Work towards turning the tide your way.

OUR MISSION

At Reward VIBHOR STEEL TUBES LIMITED, our mission is to deliver high-quality steel products that meet the evolving needs of industries, infrastructure, and construction sectors. We are committed to maintaining the highest standards of quality, reliability, and customer satisfaction while embracing innovation and sustainable manufacturing practices.

Through operational excellence, responsible business conduct, and a customer-centric approach, we strive to create long-term value for our stakeholders. Our focus remains on strengthening our market presence, enhancing efficiency, and contributing to the nation's growth through dependable steel solutions.

OUR VALUES

1

Integrity

We conduct our business with honesty, transparency, and strong ethical standards.

2

Quality Excellence

We are committed to delivering products that consistently meet customer expectations and industry standards.

3

Customer Focus

We prioritize customer needs and strive to build long-term relationships through dependable service.

4

Innovation

We embrace new ideas, technologies, and processes to improve efficiency and create value.

5

Teamwork

We believe collaboration and mutual respect are essential for achieving shared success.

6

Sustainability

We are dedicated to responsible growth while contributing positively to society and the environment.

Our Philosophy

VIBHOR STEEL TUBES LIMITED never dreamt about the success, it worked for it...

Success is a constant journey. Every milestone leads to new accomplishments. Every organization, which sets its eyes on growing big must incessantly abide by a definite set of work ethics to raise its credibility in the market. That is why, VIBHOR STEEL TUBES LIMITED also believes in living up to a set of conventions and follow them conscientiously in each and every sphere of its activities.

Our Principles

Customer Satisfaction

Honesty

MANUFACTURING UNIT

We operate three manufacturing facilities: one in Raigad, Maharashtra, One in Mahabubnagar, Telangana and other in Sundergarh, Odisha. All three manufacturing sites have the latest machinery and equipment, allowing us to produce products tailored to customer requirements.

Unit 1 – Maharashtra

- * Sports an advanced tube mill from Australia, state of the art, slitting line from USA and 2 galvanized lines
- * Situated in an area over 3.5 Lakh sq.ft.
- * Supplies to Maharashtra, Gujarat and Madhya Pradesh from this plant and all exports revenues are derived from Maharashtra plant owing to strategic locational proximity
- * Manufacturing Capacity – 125,000 MTPA

Unit 2 – Telangana

- * Produces Electronic Resistance Welded Black Pipes (ERW), Hot dipped Galvanised Pipes and Crash Barriers; sports one tube well and 1 galvanized line
- * Situated in an area over 6 Lakh sq.ft.
- * Located around 70 kms from Hyderabad in Mahabubnagar District, Telangana and close to Jadcherla Industrial Area
- * Manufacturing capacity – 96,000 MTPA

Unit 3 – Odisha

- * this newly incorporated unit has started manufacturing since June 2025. It has started manufacturing Pipes, Transmission towers, Crash Barriers, Octagonal Poles & high Mast Lightning Poles.
- * Situated in an area over 23.98 acres.
- * Built at an investment of 119.83 crores.
- * Located around 20 kms from Sundernagar District, Telangana.
- * Manufacturing capacity – 156,000 MTPA Vibhor Steel

QUALITY COMPLIANCE

The company follows a stringent quality policy with a robust quality management system and is accredited with ISO 9001:2008 certification besides being TUV certified for International standards. A technically sound and strict quality check is carried out at all stages, right from procuring high-end raw material from noted suppliers like SAIL and JSW, through the manufacturing process, right till the ISI-marked end product is well delivered.

A dedicated team of quality technicians ensures that only up to the mark pipes are delivered to the clients. Checks and tests like Eddy Current, Hydro-testing are applied on a 100% basis, ensuring defects like cracks, pin holes, open welds or any other mechanical damages are absent from end products. The full-body heat treatment, hardness test, impact test etc add up to producing only high-grade standard specific pipes.

CUSTOMER SATISFACTION

The ones we owe our success to has been our customer base. Their complete satisfaction, assurance of pipe quality, timely delivery and back-end support system is what we focus on.

Assurance of quality flows via:

Tests like Eddy Current and Hydro-Testing on 100% end products.

Following complete quality procedures according to different specifications.

Quality norms - strict adherence to code at each workstation

To ensure timely delivery, adequate packing and bundling techniques are set in place, in addition to working with advanced dispatch facilities with modern equipment for container loading and stuffing. Multiple dispatch points are enabled to ensure quicker delivery.

OUR COMPETITIVE EDGE

Experienced Management Team

Our strong management team gives our business credibility and good corporate reputation. Our promoters and senior management team's extensive industry knowledge have played a pivotal role in the Company's growth. Their expertise and experience will help Vibhor to capitalise effectively on present and emerging opportunities.

Quality Products

We are a quality conscious company that values producing high quality goods. Our management team is zealously committed to minimise quality issues. Our quality certifications serve as a testament to our reliable systems and procedures that have been created with years of patient improvement efforts.

Diversified Product Range

Our business offers a large basket of products to meet client needs. Our product line consists of a wide array of pipes in sizes and specifications ranging from 20 Nb to 100 Nb, with wide-ranging uses in the engineering, architectural, and infrastructure sectors.

Locational Advantage

We conduct business from a manufacturing site in Udithyala (V), Balanagar(m), Mahabubhanagar (Dist.) which is strategically situated and has excellent road access to the rest of the nation.

MILESTONE JOURNEY

BUILDING STRENGTH. DELIVERING TRUST.

2004-07

Commenced operations with a production capacity of 25,000 MTPA (Unit-I) Capacity enhanced to 60,000 MTPA

2011

Achieved 90,000 MTPA production capacity with advanced machinery from Australia and USA

2017-18

Established Unit-II in Telangana with 96,000 MTPA capacity
Commissioned 12" Tube Mill
Unit-II achieved turnover of ₹113 Cr

2022

Added new warehouse in Hisar, Haryana
Crossed turnover of ₹800 Cr with profit of ₹11.50 Cr

2024

Successfully listed on BSE & NSE

2003

Incorporated as Vibhor Steel Tubes Limited

2008

New factory (Unit-I) with 8" mill and galvanized line installed

2013

Began exports to Egypt

2019

Crossed turnover of ₹500 Cr

2023

Surpassed turnover of ₹1,100 Cr; profit increased by 80%
Launched two new product lines: Square Pipes and Crash Barriers

2025

Doubled Telangana GI capacity to 48,000 MTPA.
Commissioned Unit III (Odisha) with 156,000 MTPA

KEY PERFORMANCE INDICATORS

STRATEGIC GROWTH FOCUS AREAS

Value-Added Products (Strategic Shift)

Transition towards value-added infrastructure products to improve business quality, competitiveness, and margin profile.

High-Margin Products

Focus on Crash barrier, octagonal Poles and Transmission Line Towers as key margin accretive segments.

Expansion of Product Portfolio

Targeted realignment of the product mix from a 90:10 as a GI Pipes 90 and 10 others to 75:25 by FY28, enabling greater diversification and higher value contribution.

Focus on Export Markets

Exports currently contribute only 3%–5% of revenue, with a roadmap to scale exports by 10x over the next five years.

CHAIRMAN'S MESSAGE

Dear Stakeholders,

It gives me great pleasure to present to you the Annual Report of Vibhor Steel Tubes Limited (VSTL) for the financial year 2025–26. The year under review has been one of consolidation, capacity expansion and strategic strengthening for the Company, as we continue to build upon the strong foundation established over the past two decades.

A key focus during FY 2025–26 was the consolidation and ramp-up of our expanded manufacturing capabilities at Unit 3 in Sundergarh, Odisha. With an installed capacity of 156,000 MTPA, the facility significantly enhances our overall production capacity and strengthens our geographical presence in the eastern region of India. The expansion also provides us with an opportunity to broaden our product portfolio and participate more meaningfully in the growing infrastructure and industrial development across the country.

The Indian steel industry continues to remain integral to the country's economic development, supported by sustained investments in infrastructure, roads, railways, housing, energy and manufacturing. The Government of India's continued focus on infrastructure development and domestic manufacturing is expected to create significant opportunities for the steel tubes and pipes industry. With our established manufacturing capabilities, diversified product portfolio, distribution network and longstanding industry relationships, VSTL is well positioned to participate in this growth opportunity.

The financial year, however, also presented certain challenges. Volatility in steel prices, fluctuations in input costs and changes in market conditions impacted margins and profitability during the year. In addition, the expansion of our Odisha operations resulted in higher depreciation and finance costs during the period. Despite these near-term challenges, the Company remained focused on strengthening its fundamentals, improving operational efficiencies and creating a robust platform for sustainable growth.

During the year, we continued to focus on improving productivity, optimizing costs, strengthening customer relationships and enhancing our manufacturing and operational processes. Our longstanding association with JPL continues to provide stability and business visibility, while our expanding customer base and product

capabilities provide opportunities for further diversification and growth.

We believe that our expansion initiatives will progressively contribute to the Company's performance as capacity utilization improves. The enhanced capacity at Odisha, together with our existing manufacturing infrastructure and distribution network, provides a strong foundation for the next phase of our growth journey. We remain committed to prudent capital allocation and disciplined execution to ensure that our investments generate sustainable value over the long term.

We also recognize that responsible growth must go hand in hand with strong governance and sustainability. As a listed company, we remain committed to maintaining the highest standards of corporate governance, transparency and ethical conduct. We continue to focus on responsible resource utilization, environmental stewardship, workplace safety and the overall well-being and development of our employees and communities.

Our employees remain at the heart of our growth story. Their commitment, resilience and contribution have enabled the Company to navigate challenges and pursue new opportunities. I extend my sincere appreciation to our entire workforce for their continued dedication.

As we look ahead, our focus will remain on improving capacity utilization, expanding our product portfolio, enhancing operational efficiencies, strengthening our market presence and delivering sustainable and profitable growth. We are confident that the investments made in our manufacturing capabilities and the initiatives undertaken to strengthen our business will enable VSTL to unlock its next phase of growth.

On behalf of the Board of Directors, I thank our shareholders, customers, employees, lenders, suppliers, business associates and all other stakeholders for their continued support and confidence. We look forward to your continued partnership as Vibhor Steel Tubes Limited progresses towards a stronger, more resilient and sustainable future.

Governance Framework

Strong corporate governance is an integral part of Steel Exchange's core values. We believe that the highest standards of corporate governance are essential to our business integrity, performance and sustainable growth mission. We are, thus, committed to having sound corporate governance principles and practices.

"RESOLVED THAT in partial modification to the special resolution passed by the members of M/s. Vibhor Steel Tubes Limited held on 21st September, 2023, for the approving the appointment and remuneration payable to Mr. Vibhor Kaushik (DIN: 01834866) as Managing Director of the Company, liable to retire by rotation, for a period of five years i.e. from 28th August,

2023 till 27th August, 2028 (both days inclusive), and pursuant to the provisions of Section 197 and 198 and other applicable provisions, if any of the Companies Act, 2013 ("the Act"), read with relevant rules made thereunder and Schedule V along with other applicable provisions of the Act, including the statutory modification(s) or re-enactment thereof for the time being in force, read with Regulation 17(5)(e) of SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015, and pursuant to the recommendations of the Nomination & remuneration Committee and Board of Directors of the Company and such other approval(s), permission(s) and sanction(s), as may be required and subject to such conditions and modifications, as may be prescribed or imposed by any of the authority(ies) while granting such approval(s), permission(s) and sanction(s), as may be required, the consent of the Members of the Company, be and is hereby accorded for revision in the maximum remuneration of Rs. 240 lakhs per annum payable to Mr. Vibhor Kaushik (DIN: 01834866), Managing Director of the Company with effect from 28th August, 2026 for the remaining period of his present term of appointment upto 27th August, 2028, including the remuneration to be paid to him in the event of loss or inadequacy of profits in any financial year during the aforesaid period, as set out in the draft agreement and stated below, is hereby specifically sanctioned with the other terms and conditions of his appointment remaining the same, and with the liberty to the Board of Directors to alter, vary and modify the terms and conditions of the said appointment and/or remuneration, in such manner as may be agreed to between the Board of Directors and Mr. Vibhor Kaushik within and in accordance with the Act or such other applicable provisions or any amendment thereto and, if necessary, as may be prescribed and agreed to between the Board of Directors and as may be acceptable to Mr. Vibhor Kaushik.

RESOLVED FURTHER THAT in the event of loss or inadequacy of profits in any financial year, Mr. Vibhor Kaushik shall be entitled to receive remuneration including perquisites, etc. upto the limit as approved by the members herein above, as minimum remuneration.

RESOLVED FURTHER THAT the Board shall have the discretion and authority to modify the aforesaid terms and remuneration within the limit as approved by the members.

RESOLVED FURTHER THAT in the event of any statutory amendments, modifications or relaxation by the Authorities to Schedule V to the Companies Act, 2013, the Board of Directors be and is hereby authorised to vary or increase the remuneration (including the minimum remuneration), that is, the salary, perquisites, allowances, etc. within such prescribed limit or ceiling and the terms and conditions of the said appointment as agreed to between the Board and Mr. Vibhor Kaushik be suitably amended to give effect to such modification, relaxation or variation, subject to such approvals as may be required by law."

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorized to revise, alter or vary the remuneration within the limits prescribed under the Companies Act, 2013 and Schedule V thereof."

6. Approval of revision in the remuneration of Mr. Vijay Kaushik (DIN: 02249672), Chairman and Executive Director for the remaining period of his tenure

To consider and, if thought fit, to pass with or without modification the following resolution as a SPECIAL RESOLUTION:

"RESOLVED THAT in partial modification to the special resolution passed by the members of M/s. Vibhor Steel Tubes Limited held on 21st September, 2023, for the approving the appointment and remuneration payable to Mr. Vijay Kaushik (DIN: 02249672) as Chairman and Executive Director of the Company, liable to retire by rotation, for a period of five years i.e. from 28th August, 2023 till 27th August, 2028 (both days inclusive), and pursuant to the provisions of Section 197 and 198 and other applicable provisions, if any of the Companies Act, 2013 ("the Act"), read with relevant rules made thereunder and Schedule V along with other applicable provisions of the Act, including the statutory modification(s) or re-enactment thereof for the time being in force read with Regulation 17(5) (e) of SEBI(Listing obligations and Disclosure Requirements) Regulations, 2015, and pursuant to the recommendations of the Nomination & remuneration Committee and Board of Directors of the Company and such other approval(s), permission(s) and sanction(s), as may be required and subject to such conditions and modifications, as may be prescribed or imposed by any of the authority(ies) while granting such approval(s), permission(s) and sanction(s), as may be required, the consent of the Members of the Company, be and is hereby accorded for revision in the maximum remuneration of Rs. 235 lakhs per annum payable to Mr. Vijay Kaushik (DIN: 02249672), Chairman and Executive Director of the Company with effect from 28th August, 2026 for the remaining period of his present term of appointment upto 27th August, 2028, including the remuneration to be paid to him in the event of loss or inadequacy of profits in any financial year during the aforesaid period, as set out in the draft agreement and stated below, is hereby specifically sanctioned with the other terms and conditions of his appointment remaining the same, and with the liberty to the Board of Directors to alter, vary and modify the terms and conditions of the said appointment and/or remuneration, in such manner as may be agreed to between the Board of Directors and Mr. Vijay Kaushik within and in accordance with the Act or such other applicable provisions or any amendment thereto and, if necessary, as may be prescribed and agreed to between the Board of Directors and as may be acceptable to Mr. Vijay Kaushik.

RESOLVED FURTHER THAT in the event of loss or inadequacy of profits in any financial year, Mr. Vijay Kaushik shall be entitled to receive remuneration including perquisites, etc. upto the limit as approved by the members herein above, as minimum remuneration.

RESOLVED FURTHER THAT the Board shall have the discretion and authority to modify the aforesaid terms and remuneration within the limit as approved by the members.

RESOLVED FURTHER THAT in the event of any statutory amendments, modifications or relaxation by the Authorities to Schedule V to the Companies Act, 2013, the Board of Directors be and is hereby authorised to vary or increase the remuneration (including the minimum remuneration), that is, the salary, perquisites, allowances, etc. within such

prescribed limit or ceiling and the terms and conditions of the said appointment as agreed to between the Board and Mr. Vijay Kaushik be suitably amended to give effect to such modification, relaxation or variation, subject to such approvals as may be required by law."

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorized to revise, alter or vary the remuneration within the limits prescribed under the Companies Act, 2013 and Schedule V thereof."

7. Approval of revision in remuneration of Mrs. Vijay Laxmi Kaushik (DIN: 02249677), Whole- Time Director for the remaining period of her tenure

To consider and, if thought fit, to pass with or without modification the following resolution as a SPECIAL RESOLUTION:

"RESOLVED THAT in partial modification to the special resolution passed by the members of M/s. Vibhor Steel Tubes Limited held on 21st September, 2023, for the approving the appointment and remuneration payable to Mrs. Vijay Laxmi Kaushik (DIN: 02249677), Whole-Time Director of the Company, liable to retire by rotation, for a period of five years i.e. from 28th August, 2023 till 27th August, 2028 (both days inclusive), and pursuant to the provisions of Section 197 and 198 and other applicable provisions, if any of the Companies Act, 2013 ("the Act"), read with relevant rules made thereunder and Schedule V along with other applicable provisions of the Act, including the statutory modification(s) or re-enactment thereof for the time being in force read with Regulation 17(5)(e) of SEBI(Listing obligations and Disclosure Requirements) Regulations, 2015, and pursuant to the recommendations of the Nomination & remuneration Committee and Board of Directors of the Company and such other approval(s), permission(s) and sanction(s), as may be required and subject to such conditions and modifications, as may be prescribed or imposed by any of the authority(ies) while granting such approval(s), permission(s) and sanction(s), as may be required, the consent of the Members of the Company, be and is hereby accorded for revision in the maximum remuneration of Rs. 230 lakhs per annum payable to Mrs. Vijay Laxmi Kaushik (DIN: 02249677), Whole- Time Director of the Company with effect from 28th August, 2026 for the remaining period of his present term of appointment upto 27th August, 2028, including the remuneration to be paid to him in the event of loss or inadequacy of profits in any financial year during the aforesaid period, as set out in the draft agreement and stated below, is hereby specifically sanctioned with the other terms and conditions of his appointment remaining the same, and with the liberty to the Board of Directors to alter, vary and modify the terms and conditions of the said appointment and/or remuneration, in such manner as may be agreed to between the Board of Directors and Mrs. Vijay Laxmi Kaushik (DIN: 02249677) within and in accordance with the Act or such other applicable provisions or any amendment thereto and, if necessary, as may be prescribed and agreed to between the Board of Directors and as may be acceptable to Mrs. Vijay Laxmi Kaushik.

NOTES:

1. PURSUANT TO THE PROVISIONS OF THE COMPANIES ACT, 2013, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. Accordingly, the facility for appointment of proxies by the Members will be available for the AGM and hence the Proxy Form and Attendance Slip are annexed to this Notice.
2. The Instrument appointing the Proxy, duly completed, stamped and signed, should reach the Registered Office of the Company not less than forty-eight hours before the time of the Annual General Meeting. Members are requested to note that a person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. In case a proxy is proposed to be appointed by a member holding more than ten percent of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder.
3. Corporate members intending to send their authorised representatives to attend the Meeting are requested to send to the Company a certified true copy of the Board Resolution authorising their representative to attend and vote on their behalf at the Meeting.
4. Members are requested to bring their attendance slip for attending the Meeting.
5. In terms of relaxations granted by SEBI vide Circular No. SEBI/HO/CFD/CFD-PoD 2/P/CIR/2024/133 dated October 3, 2024 read with MCA General Circular No. 09/2024 dated September 19, 2024 sending hard copy of the Annual Report for the financial year 2025-26 to shareholders who have not registered their email ids with the Company/RTA/Depository has been dispensed with. Therefore, Annual Report 2025-26 including Notice shall be sent by email to those shareholders whose email ids are registered with the Company/RTA/Depository. Members may note that the Notice and Annual Report 2025-26 will also be available on the Company's website at www.vstlindia.com, website of the Stock Exchange i.e. BSE Limited at www.bseindia.com, and National Stock Exchange of India at www.nseindia.com and on the website of CDSL at www.evotingindia.com. Members who have not registered their email address with the Company can register the same by following the procedure as mentioned below in point 26. Company shall send hard copy of the Annual Report 2025-26 to the members who request for the same in writing.

Further, a letter providing the web-link for accessing the Annual Report, including the exact path, will be sent to those Members who have not registered their email address with the Company/ RTA/ Depositories/ Depository Participant(s).
6. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India ("SS-2"), and Regulation 44 of SEBI Listing Regulations, the Company is providing facility of remote e-voting to its Members through **Central Depository Services Limited (CDSL)** e-voting system at www.evotingindia.com in respect of the business to be transacted at the AGM.
7. At the 20th AGM, M/s. Ashok Kumar Goyal & Co., Chartered Accountants (Firm Registration No. 002777N) were appointed as Statutory Auditors of the Company for a period of 5 years until the conclusion of the 25th AGM of the Company.

The ratification of their appointment pursuant to Section 139 of the Companies Act, 2013 (the "Act") is not required in terms of notification no. SO 1833(E) dated 7th May, 2018 issued by the Ministry of Corporate Affairs and accordingly, the item has not been included in the Ordinary Business of this AGM Notice.
8. Corporate/Institutional Members (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory (ies) who are authorized to vote, to the Scrutinizer by e-mail to pcskrshirwadkar@gmail.com with a copy marked to cs@vstlindia.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
9. In terms of Section 152 of the Act, Mr. Vibhor Kaushik (DIN: 01834866), Managing Director and Ms. Vijay Laxmi Kaushik (DIN:02249677) Whole-Time Director of the Company, retires by rotation at the ensuing Annual General Meeting and being eligible, offers themselves for re-appointment. The Board of Directors of the Company recommends their re-appointment. Details of Directors seeking re-appointment Pursuant to Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard 2 on General Meetings is enclosed as annexure to this Notice".
10. The Explanatory Statement setting out the material facts pursuant to Section 102 of the Act, concerning the Special Business to be transacted at the Meeting, as mentioned in the Notice, is annexed hereto and forms part of this Notice.
11. Relevant documents referred to in the accompanying Notice and the Statements are open for inspection by the members at the Registered Office of the Company during business hours on all working days (except Saturday, Sunday and National Holidays) from the date hereof, up to the date of the Meeting.
12. Any person, who acquires shares of the Company and becomes a member of the Company after dispatch of the Notice and holding shares as on the cut-off date i.e., **Wednesday 9th September 2026**, may obtain the login ID and password by sending a request at helpdesk.evoting@cdslindia.com or vibhor.ipo@kfintech.com.
13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company /KFin Technologies Limited (Company's Registrar and Share Transfer Agent / RTA) and complete their Know Your Client ("KYC") formalities as mandated by law. Members, who have not registered their e-mail addresses so far, are requested to register their e-mail

address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.

14. SEBI vide Circular no. SEBI/HO/OIAE/OIAE_IAD-1/P/ CIR/2023/131 dated July 31, 2023 (updated as on December 20, 2023) has specified that a Member shall first take up his/her/ their grievance with the listed entity by lodging a complaint directly with the concerned listed entity and if the grievance is not redressed satisfactorily, the Member may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. Only after exhausting all available options for resolution of the grievance, if the Member is not satisfied with the outcome, he/ she/ they can initiate dispute resolution through the Online Dispute Resolution ("ODR") Portal. Members are requested to take note of the same.
15. The Company has notified closure of Register of Members and Share Transfer Books from **Thursday, 10th September 2026 to Wednesday, 16th September 2026** (both days inclusive) for the purpose of AGM.
16. A route map showing directions to reach the venue of the 23rd Annual General Meeting is given at the end of the Notice as per the requirement of Secretarial Standard- 2 on "General Meeting".
17. The Board of Directors of the Company has appointed **Mr. Ketan Ravindra Shirwadkar (FCS:13938; CP 15386) Proprietor of M/s. KRS & Co.,** Practicing Company Secretaries, Thane, MH as Scrutinizer to scrutinize the remote e-voting and physical voting process at Meeting in a fair and transparent manner and he has communicated his willingness to be appointed and will be available for same purpose.
18. The Scrutinizer shall within a period of within two working days from the conclusion of the Annual General Meeting, submit his report of the votes cast in favour or against, through electronic voting and polling process to the Chairman or to any other person as authorized by the Chairman. The results declared along with the consolidated Scrutinizer's Report shall be placed on the website of the Company and on the website of CDSL. The result shall be simultaneously be communicated to the BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at www.nseindia.com.
19. Since the entire Shareholding is in demat form, members are requested to submit PAN, or intimate all changes pertaining to their bank details, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, specimen signature (as applicable) etc., to their Depository Participant ("DP"). In case of any query, members can reach out to the Registrar and Transfer Agent only at their address: KFIN TECHNOLOGIES LIMITED, Selenium Building, Tower B, Plot No. 31-32, Financial District. Nanakramguda, Serilingampally, Hyderabad, Rangareddi, Telangana, India 500032, Tel: +91 4067162222; Website: <https://www.kfintech.com/> Email: vibhor.ipo@kfintech.com
20. **Instructions for shareholders voting electronically are as under:**

Step 1: Access through Depositories CDSL/NSDL e-Voting

system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **Sunday 13th September 2026 at 9:00 a.m.** and ends on **Tuesday 15th September 2026 at 5:00 p.m.** During this period, Shareholders of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Wednesday 9th September, 2026** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
- (iii) Shareholders who have already voted prior to the Meeting date would not be entitled to vote at the Meeting venue.
- (iv) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 9th December, 2020**, under Regulation 44 of SEBI Listing Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts / websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (v) In terms of **SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login to Easi / Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon and New System Myeasi Tab. 2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3) If the user is not registered for Easi / Easiest, option to register is available at CDSL website www.cdslindia.com and click on login and New System Myeasi Tab and then click on registration option. 4) Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile and Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers.

- 6) If you are a first-time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

- (vii) After entering these details appropriately, click on "SUBMIT" tab.
- (viii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (x) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (xi) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.

- (xvi) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password and enter the details as prompted by the system.
- (xvii) There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.

(xviii) Additional Facility for Non - Individual Shareholders and Custodians –For Remote Voting only.

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login will be mapped automatically and can be delink in case of any wrong mapping.
- It is Mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- Alternatively, Non-Individual shareholders are required mandatory to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; cs@vstlindia.com, if they have voted from individual tab and not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

21. The voting right of Shareholders shall be in proportion to their shares in the paid-up equity capital of the Company as on **cut-off date i.e. Wednesday 9th September, 2026.**

22. The facility for voting through Ballot Paper (Poll) shall be made available at the AGM and the Members attending the Meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the Meeting through Ballot paper.

The Members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

23. In terms of Section 72 of the Act read with the applicable rules thereto, every holder of shares in the Company may nominate, in the prescribed manner, a person to whom his / her shares in the Company shall vest, in the event of his / her death. Nomination forms can be obtained from the Registrar and Share Transfer Agent. Members holding shares in electronic form may contact their respective Depository Participant(s) for availing this facility.

ANNEXURE TO NOTICE

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("the Act")

The following Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice:

Item No. 4:

Ratification of Remuneration to Cost Auditor for the financial year 2026-27.

In pursuance of Section 148 of the Act and Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the Company is required to appoint a Cost Auditor to audit the cost accounting records of the applicable products of the Company.

The Board, on the recommendation of the Audit Committee, has approved in its meeting held on 06th August 2026 the re-appointment of S K Agarwal & Associates Cost Accountants (Firm Registration No. 100322), Mumbai, at a remuneration of Rs. 60,000/- (Rupees Sixty Thousand Only) per annum (plus applicable taxes) and reimbursement of out-of-pocket expenses, if any, in connection with the Cost Audit of the Company for the financial year 2026-27. Further, the Cost Auditors remuneration needs to be ratified by the shareholders.

The Directors recommend the above resolution for passing by the shareholders as an ordinary resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise in the resolution set out at Item No. 4 of the Notice.

Item No 5

Approval of revision in the remuneration of Mr. Vibhor Kaushik (DIN: 01834866), Managing Director for remanining period of his tenure

On 23rd September, 2023, the Members of M/s. Vibhor Steel Tubes Limited had approved the appointment of Mr. Vibhor Kaushik as Managing Director along with his remuneration for the term of five years from 28th August, 2023 till 27th August, 2028 (both days inclusive). Further, as per the provisions, in case where Company has no profits or inadequate profits, the approval of remuneration for the Managing Director from members was only for three years and need further members approval for the balance two years from 28th August, 2026 till 27th August, 2028

With more than nine years of professional experience, she has built strong expertise in finance and administration. Her excellent interpersonal skills enable her to communicate effectively with internal teams and external stakeholders, fostering collaboration and driving operational efficiency.
5. Remuneration proposed	As stated in the Explanatory Statement at Item No.8 of this Notice.

6. Comparative remuneration profile with respect to industry, size of the company, profile of the position and person	The remuneration of Ms. Pratima Sandhir is comparable to that drawn by the peers in the similar capacity in the industry and is commensurate with the size of the Company and diverse nature of its business.
7. Pecuniary relationship directly or indirectly with the Company or relationship with the managerial personnel, if any	Ms. Pratima Sandhir is a whole time director and holding 1.95% Equity Shareholding in Company.
III. Other Information:	
1. Reasons of loss or inadequate profits.	During the financial year ended March 31, 2026, the profits and effective capital criteria of the Company are not adequate, and therefore the remuneration payable to the Whole Time Director would exceed the limits prescribed. Hence this proposal under applicable provisions of Schedule V.
2. Steps taken or proposed to be taken for improvement	The Company has taken significant steps to reduce costs with increased revenue in line with the projected sales. During 2025-2026, Financials showed considerable recovery in demand and business results.
3. Expected increase in productivity and profits in measurable terms During 2025-2026	The Company is conscious about improvement in productivity and continually undertakes measures to improve its productivity and profitability. The Management is confident of achieving sustained revenue growth in the near future.

Except Ms. Pratima Sandhir, none of the Directors, Key Managerial Personnel or their relatives are concerned or interested in the resolution. The Board recommends the Special resolution for approval by the members.

REPORT OF BOARD OF DIRECTORS

TO THE MEMBERS OF VIBHOR STEEL TUBES LIMITED

Your Board of Directors present the 23rd Annual Report of Vibhor Steel Tubes Limited (the “Company” or “VSTL”) along with the Audited Standalone Financial Statements for the Financial Year ended March 31, 2026. A brief summary of Company’s performance is given below:

1. FINANCIAL RESULTS

The summary of the financial results of the Company for the year ended March 31, 2026, are as follows:

(₹ in Lakhs)

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Revenue from Operations	114,935.10	99,637.92
Other Income	290.99	188.30
Total Revenue	1,15,226.09	99,826.22
Operating Expenditure	1,10,585.79	95,978.09
Profit before Depreciation, Interest and Taxes	4,640.30	3,848.13
Finance Cost	1,593.88	1,120.46
Depreciation	1,676.14	1,041.29
Profit Before Tax & Exceptional Items	1,370.28	1,686.38
Exceptional Items	(132.00)	0.00
Profit Before Tax	1,238.28	1,686.38
Current Tax	334.11	509.84
Deferred Tax	24.83	(0.50)
Net Profit after Tax	879.34	1,177.04
Other Comprehensive Income	8.53	(1.16)
Total Comprehensive Income for the period	887.86	1,175.88
Earning per equity share (Face Value of ₹ 10 each)		
Basic	4.64	6.21
Diluted	4.64	6.21

2. OPERATING RESULTS & BUSINESS PERFORMANCE

Your company is engaged in the business of Manufacturing of Steel Products. During the year under review there was no change in the business of the Company.

Your Company has earned net profit after tax of Rs. 879.34 Lakhs for the financial year ended 31st March, 2026 as compared to a net profit after tax of Rs. 1,177.04 Lakhs in the previous financial year.

The Total Revenue from operations earned during the year is Rs. 114,935.10 Lakhs for the financial year ended 31st March, 2026 as compared to revenue of Rs. 99,637.92 Lakhs in the previous financial year.

During the financial year under review, the Company achieved significant growth in its operations, with Revenue from Operations increasing from ₹99,637.92 Lakhs to ₹114,935.10 Lakhs, reflecting a growth of approximately 15.35%. EBITDA (Profit before Depreciation, Interest and Tax) also improved from ₹3,848.13 Lakhs to ₹4,640.30 Lakhs.

However, despite the improvement in operational performance, the Company's Profit After Tax decreased from ₹1,177.04 Lakhs in the previous year to ₹879.34 Lakhs during the current year.

The decline in profitability was primarily attributable to the substantial capital expenditure incurred towards the newly commissioned Odisha manufacturing plant.

As a result of the commissioning of the Odisha facility, depreciation expense increased significantly from ₹1,041.29 Lakhs to ₹1,676.14 Lakhs, while finance costs rose from ₹1,120.46 Lakhs to ₹1,593.88 Lakhs due to borrowings availed for funding the expansion project. The increase in these non-operating costs offset the gains achieved from higher revenues and improved operating performance.

Further, the Company recognized an exceptional expense of ₹132.00 Lakhs during the year, which also impacted the overall profitability. During the year under review, the Company has recognized an exceptional item comprising the write-off of a capital advance amounting to ₹1,32,00,000/- paid to Punjab National Bank, Sambalpur Branch, Odisha, towards the proposed acquisition of property through the e-auction proceedings of Shiva Re Roller Private Limited.

Based on a comprehensive assessment by the Management of the facts and circumstances relating to the transaction, the aforesaid advance was considered no longer recoverable or adjustable in the ordinary course of business. Accordingly, in

line with the applicable accounting standards and considering the materiality and exceptional nature of the transaction, the Company has written off the said amount in the Statement of Profit and Loss as an exceptional item during the financial year under review.

Consequently, the Profit Before Tax for the financial year stands reduced by ₹1,32,00,000/-. The write-off is a one-time accounting adjustment and does not impact the Company's operational performance or cash flows for the year.

The management believes that the Odisha plant will strengthen the Company's manufacturing capacity, improve market reach, and contribute positively to revenue and profitability in the coming years once the plant achieves optimal capacity utilization and operational efficiencies.

3. DIVIDEND

The Board of Directors of your Company has deemed it prudent not to recommend any dividend for the Financial Year Ended 31st March 2026 to retain the profits, in order to meet the requirements of future growth.

Further, the Board of Directors of the Company have formulated a Dividend Distribution Policy ('the Policy') Pursuant to Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR'), The Policy is available on the Company's website: https://www.vstlindia.com/upload_dynamic_content/Dividend%20Distribution%20Policy.pdf

4. TRANSFER TO RESERVES

The Board of Directors has decided to retain the entire amount of profit in the Profit & Loss Account. Accordingly the company has not transferred to any amount to the reserve for the year ended 31st March 2026.

5. CHANGE IN NATURE OF BUSINESS, IF ANY

During the Financial Year 2025-26 under review, there was no change in the nature of business of the company.

6. COMPLIANCE OF INDIAN ACCOUNTING STANDARDS (IND AS)

The Company has followed Indian Accounting Standards (Ind AS) in the preparation of the standalone financial statements of the Company for the financial year ended March 31, 2026. The Significant Accounting Policies which are consistently applied have been set out in the notes to the financial statements.

7. CREDIT RATING

The Company enjoys a good reputation for its sound financial management and the ability to meet its financial obligations. During the Financial Year 2025-2026 the credit ratings of the banking facilities of the company has been Re-affirmed/ Revised. The current details of ratings are as under :

Credit Rating Agency	Bank Facility	Amount	Rating Assigned	Rating Action
CRISIL	Long Term Facilities	Rs. 232.50 Crores	CRISIL BBB+/- Stable	Reaffirmed
CRISIL	Short Term Facilities	Rs. 137.50 Crores	CRISIL A2	Reaffirmed

The Rating is carried by CRISIL Ratings. Rating letter is issued by CRISIL Ratings is uploaded on the website of the company

at https://www.vstlindia.com/upload_dynamic_content/VBSTL_17Apr2026.pdf

8. SUBSIDIARY COMPANIES, ASSOCIATE COMPANIES AND JOINT VENTURE

As of the end of the financial year, the Company does not have any subsidiary companies, associate companies or joint ventures. This status reflects the Company's current strategic focus and operational structure. Consequently, there are no financial statements or performance metrics to report for subsidiary, associate or joint venture entities. The Board continues to evaluate potential opportunities for growth and expansion, including the possibility of establishing or acquiring subsidiary companies, associate companies and entering into joint ventures, which will be pursued if they align with our strategic objectives and offer value to our stakeholders.

The policy for determining material subsidiaries of the Company is available on the Company's website: https://www.vstlindia.com/upload_dynamic_content/Policy%20on%20Material%20Subsidiary.pdf

9. SECRETARIAL STANDARDS

Your Company has devised proper systems to ensure compliance with the provisions of all applicable Secretarial Standards issued by the Institute of Company Secretaries of India and that such systems are adequate and operating effectively.

10. PROCEEDINGS UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016

During the year under review there was no proceeding initiated/pending against the Company under the Insolvency and Bankruptcy Code, 2016.

11. PUBLIC DEPOSITS

The Company does not have any outstanding deposits from public.

Further, your Company has not accepted any deposits within the meaning of Section 73 of the Companies Act, 2013 ("the Act") and the Companies (Acceptance of Deposits) Rules, 2014 during the financial year 2025-26. Accordingly, there are no unclaimed or unpaid deposits lying with the Company for the year under review.

Hence the requirement for furnishing of details of deposits which are not in compliance with Chapter V of the Act is not applicable.

12. CORPORATE GOVERNANCE REPORT

The Company remains dedicated to managing its operations with the utmost diligence, transparency, responsibility, accountability, and sustainability. We continuously strive to uphold the highest standards of Corporate Governance.

The Board views itself as a steward of shareholder interests, recognizing its duty to protect and enhance shareholder value. We are committed to expanding our capacities as part of our growth strategy.

Adhering to the highest levels of ethics and integrity in all business activities is a core principle of the Company. We are diligent in avoiding any conflicts of interest, ensuring that all business dealings are conducted with transparency and

accountability.

To support these principles, the Company has established a corporate structure that aligns with our business needs. We maintain a high degree of transparency through regular disclosures and robust control systems, ensuring stakeholders are well-informed.

Your Company has taken adequate steps to ensure that all mandatory provisions of Corporate Governance as prescribed under the Listing Regulation are complied with. As per Regulation 34(3) Read with Schedule V of the Listing Regulations, a separate section on corporate governance, together with a certificate from the Practising Company Secretary on compliance of mandatory requirements is given as an annexure to this report under **Annexure-V**.

13. CONTRACTS AND ARRANGEMENT WITH RELATED PARTIES

All contracts / arrangements / transactions entered by the Company during the Financial Year with related parties were in the ordinary course of business and on an arm's length basis. During the year, the Company had not entered into any contract / arrangement / transaction with related parties which could be considered material in accordance with the policy of the Company on materiality of related party transactions. Therefore no information is required to be provided in form AOC-2 for the year ended 31st March 2026.

All related party transactions are placed for the approval of the Audit Committee and also before the Board and shareholders, wherever required necessary, in compliance with the provisions of the Act and SEBI (LODR) Regulations, 2015.

The Audit Committee has granted omnibus approval for related party transactions as per the provisions of Regulation 23(3) of SEBI (LODR) Regulations 2015.

Your directors draw attention of the members to Note 38 to the Standalone Financial Statement which sets out related party disclosures. The policy on Related Party Transactions as approved by the Board can be accessed on the Company's website at the https://www.vstlindia.com/upload_dynamic_content/Policy%20on%20Related%20Party%20Transaction.pdf

14. BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT (BRSR)

The Business Responsibility and Sustainability Report (BRSR) is not applicable to the Company as it is not included in the top 1000 listed entities by market capitalization as on 31st March 2026. While the formal requirements of BRSR do not apply, the Company remains committed to maintaining high standards of business responsibility and sustainability in its operations.

15. CORPORATE SOCIAL RESPONSIBILITY

We at VSTL aim to create economic value and to actively contribute toward the development of a sustainable society by taking up projects for the common good through responsible business practices and good governance. In line with the requirement of Section 135 of the Companies Act, 2013, read with Companies (Corporate Social Responsibility) Rules 2014, the Board of Directors have constituted a Corporate Social Responsibility (CSR) Committee. The details of Committee and the terms of reference are provided in corporate governance report forming part of this report.

During the year under review the Company has spent ₹45,82,000 (Rupees Forty-Five lakhs Eighty Two Thousand) on CSR activities, Annual Report on CSR Activities as required under the Companies (Corporate Social Responsibility Policy) Rules, 2014 has been appended as **Annexure-I** and forms an Integral part of this report.

The Committee has formulated policy for CSR Activities and is placed on the website of the Company at https://www.vstlindia.com/upload_dynamic_content/Corporate%20Social%20Responsibility%20Policy.pdf

During the year under review two CSR Committee Meetings has been conducted, the details of which is mentioned in Corporate Governance Report forming part of this Report.

16. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 134(5) of the Companies Act, 2013, in relation to the Audited Financial Statements of the Company for the year ended 31st March 2026, the Board of Directors, to the best of their knowledge and ability, confirm that:

- in the preparation of the annual accounts for the Financial Year ended March 31, 2026, the applicable accounting standards had been followed and there has been no material departure;
- that the selected accounting policies were applied consistently. Reasonable and prudent judgments and estimates were made so as to give a true and fair view of the state of affairs of the Company as at March 31, 2026 and of the profit of the Company for the year ended on that date;
- the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- that the Company had prepared the annual accounts on a going concern basis;
- the directors had laid down internal financial controls which are followed by the Company and such internal financial control are adequate and were operating effectively; and
- the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and such systems are adequate and were operating effectively.

II. Changes in Key Managerial Personnel

- During the year 2025-26, Mr. Lovkesh (Mem No. A68975) has resigned from the office of Company Secretary and Compliance Officer w.e.f. 24th June 2025. Further, Mrs. Pallavi Aggarwal (Mem No. A42227) was appointed in the office of Company Secretary and Compliance Officer w.e.f. 25th June 2025.

19. CONSTITUTION OF BOARD COMMITTEES

A detailed note on the Board and its Committees is provided in the "Report on Corporate Governance" forming part of this Annual Report. As on March 31, 2026, the Board has the following standing Committees::

- Audit Committee
- Nomination and Remuneration Committee
- Stakeholders Relationship Committee
- Risk Management Committee
- Corporate Social Responsibility Committee

These committees have been established to ensure effective governance and oversight in their respective areas.

A detailed note on the composition of the Committees is provided in the Corporate Governance Report that forms part of this Report.

20. EVENTS SUBSEQUENT TO FINANCIAL STATEMENTS

FORMATION OF WHOLLY OWNED SUBSIDIARY IN THE NAME OF VIYOM STEEL INFRA PRIVATE LIMITED

The company has invested its funds in a Wholly Owned Subsidiary named "Viyom Steel Infra Private Limited". The said wholly owned subsidiary (WOS) Company is incorporated in Hisar, Haryana India, and shall diversify its business portfolio by venturing into Manufacturing of Infrastructure related products including but not limited to transmission towers, monopoles, crash barriers, octagonal poles, High Mast Poles. Pre-Fab Structures etc. The Wholly Owned Subsidiary is incorporated on 17th June, 2026.

21. DECLARATION BY INDEPENDENT DIRECTOR(S)

In accordance with the Section 149(7) of the Act, the Independent Directors has given a written declaration to the Company at the first meeting of the Board of Directors for the Financial Year 2025-2026 confirming that they meet the criteria of independence as mentioned under Section 149(6) of the Companies Act, 2013 and Regulation 16(1) (b) of the SEBI LODR Regulations and there has been no change in the circumstances which may affect their status as an independent director during the year.

The Independent Directors have complied with the Code for Independent Directors prescribed in Schedule IV to the Companies Act, 2013 along with code of conduct for all members of board in terms of Regulation 17(5) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review, there we no change in the constitution of Independent Directors.

22. STATEMENT REGARDING INTEGRITY, EXPERTISE AND EXPERIENCE OF INDEPENDENT DIRECTORS

In the opinion of the Board the Independent Directors possess excellent rating in respect of clear sense of value and integrity and have requisite expertise and experience in their respective fields.

Further, in terms of Section 150 read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014, as amended, the Independent Directors of the Company have included their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs.

23. BOARD MEETINGS

Nine (9) meetings of the Board were held during the year under review. The time gap between two meetings was less than 120 days.

The particulars of meetings held and attendance of each Director are detailed in the Corporate Governance Report forming part of this Annual Report.

24. ANNUAL EVALUATION OF DIRECTORS, COMMITTEE AND THE BOARD

Your Company believes that the process of performance at Board level is pivotal to Board engagement and effectiveness. The Policy and criteria for Board Evaluation is duly approved by Nomination and Remuneration Committee.

The Board of Directors has conducted an annual assessment of its own performance, board committees, and individual directors pursuant to Section 134(3)(p) of the Companies Act, 2013 read with Rule 8(4) of the Companies (Accounts) Rules, 2014 and SEBI (LODR) Regulations 2015.

The board has sought inputs from all the directors based on the criteria such as board composition and structure, effectiveness of board processes, information and functioning, etc.

The performance of the committees was evaluated by the board after seeking inputs from the committee members based on the criteria such as the composition of committees, effectiveness of committee meetings, etc.

A separate meeting of Independent Directors is held wherein a performance of Non-Independent Directors including that of MD, Chairman of the Board and of the Board as a whole is evaluated. Performance Evaluation of Independent Directors was done by the entire Board, excluding the Independent Director being evaluated.

As a outcome of the above process the individual feedback is shared with each Director subsequent during the Year.

25. POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHERS

Pursuant to Section 178(3) of the Act and Regulation 19(4) of the Listing Regulations, the Board of Directors, based on the recommendation of the Nomination and Remuneration Committee ('NRC'), has adopted a Nomination and Remuneration Policy. The Policy sets out the guiding principles and framework for recommending the appointment of, and remuneration payable to, Directors, Key Managerial Personnel, Senior Management and other employees. It also prescribes the criteria for determining the qualifications, positive attributes and independence of Directors. In accordance with the Policy, the NRC evaluates the overall balance of skills, knowledge and experience on the Board and, thereafter, recommends the appointment/ re-appointment of Independent Directors to the Board.

The policy of the Company on directors' appointment and remuneration, including criteria for determining qualifications, positive attributes, independence of a director and other matters provided under Sub-section (3) of Section 178 of the Companies Act, 2013, adopted by the Board is available on the Company's website at https://www.vstlindia.com/upload_dynamic_content/Nomination%20and%20Remuneration%20Policy.pdf

We affirm that the remuneration paid to the Managing Directors and Whole-Time directors and Sitting Fees paid to Non-Executive Independent Directors is as per the terms laid out in the nomination and remuneration policy of the Company.

26. DISCLOSURE RELATING TO STATEMENT OF MATERIAL DEVIATION

Pursuant to the provisions of Regulation 32(1) of SEBI (LODR) Regulations 2015, details of Statement of Material Variations or Deviations are not applicable during the year under review.

27. FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS

The Company has designed a familiarisation programme for

its Independent Directors which is imparted at the time of appointment of Independent Director on the Board as well as during the year. The Programme aims to provide insights into the whole operations of the Company to enable the Independent Directors to understand the business of the Company and to acclimatise them with the process and functionalities of the Company. The Programme also aims to provide statutory and regulatory updates to enable the roles rights and responsibility in the Company.

The Familiarisation Programme enables the Independent Directors to get a deep understanding of the Company, its people, values and culture and facilitates their active participation in overseeing the performance of the Management.

The Details of Familiarisation programme held during the year have been uploaded on the website of the Company at the link [https://www.vstlindia.com/upload_dynamic_content/VSTL-Familiarization-programme-for-board-members%20\(1\).pdf](https://www.vstlindia.com/upload_dynamic_content/VSTL-Familiarization-programme-for-board-members%20(1).pdf)

28. TRANSFER TO INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

a. Transfer of unclaimed dividend to IEPF

Since there is no unclaimed/ un-paid dividend with the Company, no amount was transferred from the Unclaimed Dividend Account to the Investor Education and Protection Fund (IEPF) established by the Central Government during the Financial Year 2025-26.

b. Transfer of shares to IEPF

In accordance with Section 124 of the Companies Act, 2013 no equity shares, has been transferred by the Company to the Investor Education and Protection Fund Authority (IEPF) during the Financial Year 2025-26.

29. CHANGE IN PROMOTER GROUP SHAREHOLDING

During the year under review, the promoter group shareholding has been increased from 73.66% to 74.74% as a result of open market purchase by promoter/promoter group.

30. AUDITORS AND AUDITORS' REPORT

A. Statutory Auditors

Pursuant to the provisions of Section 139 of the Companies Act, 2013 and rules framed thereafter M/s Ashok Kumar Goyal & Co. Chartered Accounts, Hisar having FRN: 002777N and Peer Review Certificate No. 019696 issued by Peer Review Board of ICAI, has been appointed as Statutory Auditors of the Company from the conclusion of the 20th Annual General Meeting (AGM) of the Company held on 30 September, 2023 till the conclusion of 25th Annual General Meeting to be held for 2027-28. M/s Ashok Kumar Goyal & Co. have confirmed that they are not disqualified as auditors of the Company

The Auditor's Report to the shareholders on the Standalone Financial Statement for the year ended March 31, 2026 does not contain any qualification, observation or adverse comment and the same is self-explanatory.

Further, there was no instance of fraud during the year under review, which required the Statutory Auditors to report to the Audit Committee and /or Board under

Section 143(12) of the Act and Rules framed thereunder.

B. Cost Auditors

Pursuant to Section 148 of the companies act 2013, read with rules made there under the Board has re-appointed M/s. S K AGARWAL & ASSOCIATES, Cost Accountants (Registration No. 100322), as Cost Auditors for conducting the audit of cost records of the Company for the Financial Year 2026-27. There Remuneration is proposed to be ratified by the members in ensuing Annual General Meeting.

The Cost Audit Report for the year ended 31st March 2025 was submitted to the Central Government by filing e-form CRA-4. Further, the Cost Audit Report of the Company for the Financial Year ended March 31st, 2026 will be filed with the Central Government after its noting by the Board. The Company has maintained accounts and records as specified under sub-section (1) of 148 of the Act.

C. Secretarial Auditors

Pursuant to the provision of Section 204 of the Act, read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 the Board of Directors had appointed M/s KRS AND CO., Practicing Company Secretaries, (Peer Review No. 3967/2023), to conduct Secretarial Audit for the Financial Year ended March 31, 2026. The Secretarial Audit Report for the Financial Year ended March 31, 2026 is annexed herewith marked as **Annexure – II** to this Report. The Secretarial Audit Report does not contain any qualification, reservation or adverse remark.

Pursuant to Regulation 24A(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, the Company has obtained Annual Secretarial Compliance Report for the Financial Year Ended 31st March 2026 from Ms/ KRS AND CO., Practicing Company Secretaries and same is submitted to the stock exchange within the prescribed time limits. The Annual Secretarial Compliance Report does not contain any remarks or qualification, observations.

Further as per the provisions of Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, the provisions of Section 204 of the Companies Act 2013, read with Rule 9 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, on the recommendation of the Audit Committee and the Board of Directors, the members of the Company at the 22nd Annual General Meeting held on Friday 26th September 2025 approved the appointed M/s KRS AND CO., Practicing Company Secretaries, (Peer Review No. 3967/2023), represented by CS. Ketan Ravindra Shirwadkar Proprietor (Mem No. F13938 and COP No. 15386) as Secretarial Auditors of the Company for a period of 5 (five) consecutive years to conduct the Secretarial Audit effective from the financial year 2025-26 to the financial year 2029-30.

D. Internal Auditor

In accordance with Section 138 of the Companies Act, 2013 read with rules made thereunder, M/s V.D.

& Company (FRN: 023090N), Chartered Accountants, was appointed as Internal Auditor of the Company for Financial Year 2025-26 to conduct the internal audit functions and activities of the Company. During the year under review no observation, qualification or adverse mark was reported by the Internal Auditor.

Further the Board of Directors at their Meeting held on 6th August 2026 on the recommendation of the Audit Committee have approved the re-appointment of M/s V.D. & Company (FRN: 023090N), Chartered Accountants, as Internal Auditor of the Company for Financial Year 2026-27.

31. COST RECORDS

In terms of Rule 8(5) of Companies (Accounts) Rules, 2014, the Company is required to maintain cost records as specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 read with rule 3 of Companies (Cost Records and Audit) Rules, 2014 and accordingly such accounts and records are made and maintained by the Company.

32. MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

In terms of the provisions of Regulation 34 of SEBI LODR Regulations, the Management Discussion and Analysis forms an integral part of this Report and gives details of the overall industry structure, developments, performance and state of affairs of the Company business. The shareholders are advised to refer to the separate section on the Management Discussion and Analysis in this Report annexed as **Annexure VI**

33. INTERNAL FINANCIAL CONTROL

The Board has adopted the policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures. During the year under review no material or serious observations were received from the Internal Auditors of the Company for inefficiency or inadequacy of Internal Financial Controls.

The Internal Financial Controls followed by the Company are adequate and commensurate with the size and nature of the business and were operating effectively during the year under review.

34. RISK MANAGEMENT

Your Company recognizes that risk is an integral part of business and is committed to managing the risks in a proactive and efficient manner. Your Company has constituted Risk Management Committee which periodically assesses risk elements in the internal and external environment, along with the cost of treating such risk elements and incorporates risk treatment plans in its strategy, business and operational plans; the details of the Risk Management Committee are included in the Corporate Governance Report which forms integral part of this report. As of the date of this report, the Company does not foresee any critical risk, which threatens its existence. Further Company has also formulated the Policy on Risk Management which can be accessed from the website at https://www.vstlindia.com/upload_dynamic_content/Risk%20Management%20Policy~0.pdf

35. VIGIL MECHANISM AND WHISTLE BLOWER POLICY

In compliance with the provisions of Section 177(9) and (10) of the Companies Act, 2013 and Regulation 22 of SEBI (LODR) Regulations 2015, your Company has set up vigil mechanism viz. Whistle Blower Policy to provide a formal mechanism to the Directors and employees to report their genuine concerns, unethical behaviour, actual or suspected fraud, irregularities or violation of Company's Code of Conduct, if any, noticed by them in the Company, which could adversely affect company's operations. This mechanism also provides safeguards against victimization of employees, who avail themselves of the mechanism and provides direct access to the Chairperson of the Audit Committee.

All Directors and employees have access to the Chairperson of the Audit Committee. Further no personnel have been denied access to the Audit Committee during the period under review. The vigil mechanism is overseen by the Audit Committee and your Company is happy to inform you that during the year, there have been no Complaints received by the Audit Committee.

The said policy is available on the website of the Company at https://www.vstlindia.com/upload_dynamic_content/Whistle%20Blower%20and%20Vigil%20Mechanism%20Policy.pdf

36. LOANS, GUARANTEES, INVESTMENTS AND SECURITIES

During the financial year 2025-26 the Company has not given an Loans, Guarantee or provided security or made investments covered under the provisions of Section 186 of the Companies Act 2013. Details of the Loans, Guarantees and Investments covered under Section 186 of the Companies Act, 2013, if any in the previous period, are given in the notes to the Financial Statements forming part of this report.

37. CONSERVATION OF ENERGY, RESEARCH AND DEVELOPMENT, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Information on conservation of energy, technology absorption, foreign exchange earnings and out go, is required to be given pursuant to provision of Section 134 of the Companies Act, 2013, read with the Companies (Accounts) Rules, 2014 is annexed hereto marked **Annexure III** and forms part of this report.

The details of foreign currency inflow and outflow during the year under review are given in **Annexure III**.

ANNEXURE I – Board Report

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES OF THE COMPANY DURING THE FY 2025-26

1. A brief outline of the Company's CSR policy

This Policy is framed based on the provisions of the Companies Act, 2013 and rules thereunder. In case of any subsequent changes in the provisions of the Companies Act, 2013 or any other regulations which makes any of the provisions in the Policy inconsistent with the Act or regulations, then the provisions of the Act or regulations would prevail over the Policy and the provisions in the Policy would be modified in due course to make it consistent with law. The CSR Policy of the Company shall be reviewed by the Corporate Social Responsibility Committee as and when any changes are to be incorporated in the Policy due to change in regulations or as may be felt appropriate by the committee. Any changes or modification on the Policy as recommended by the Committee would be given for approval of the Board of Directors.

2. Composition of the CSR Committee

As on March 31, 2026, the CSR Committee comprises of the following Board members:

Secretarial Audit Report
Form No. MR-3
FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
 The Members,
Vibhor Steel Tubes Limited
(Formerly known as Vibhor Steel Tubes Private Limited)

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices of **VIBHOR STEEL TUBES LIMITED -Formerly Known as Vibhor Steel Tubes Private Limited** (hereinafter called "The Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31st March, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers and minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March 2026, to the extent applicable provisions of:

- I. The Companies Act, 2013 ("The Act") the applicable and effective amendments and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ("**SCRA**") and the Rules made thereunder;
- III. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- IV. The Depositories Act, 2018 and the Regulations and Bye-laws framed thereunder;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("**SEBI Act**") to the extent applicable to the Company: -
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d. Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 - **not applicable for the period under review.**
 - e. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.
 - f. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (**Not applicable to the Company during the audit period**);
 - g. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (**Not applicable to the Company during the audit period**);
 - h. Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (**Not Applicable to the listed entity during the Review Period**)
 - i. The Company has complied with the requirements under the Equity Listing Agreements entered into with BSE Limited and National Stock Exchange of India Limited.
- V. I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test – check basis, the Company has complied with the following laws applicable specifically to the Company:
 - a. The Environment (Protection) Act, 1986;
 - b. Air (Prevention and Control of Pollution) Act, 1981 and Rules issued by the State Pollution Control Boards;
 - c. Water (Prevention and Control of Pollution) Act, 1974 and Rules issued by the State Pollution Control Boards.
 - d. The Mines Act, 1952 and rules, regulations made thereunder; and
 - e. Mines and Minerals (Development & Regulations) Act, 1957 and the rules made thereunder.

I have also examined compliances with the applicable provisions of the following:

 - a) Secretarial Standards issued by the Institute of Company Secretaries of India.

b) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015;

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, and Guidelines, mentioned above.

I further report that:

The Board of Directors of the Company is constituted with proper balance of Executive and Non-Executive Director Independent Directors. Further the changes that took place in the Board of Directors and Key Managerial Personnel during the year is as under:

- 1) The Members of the Company at the 22nd Annual General Meeting held on Friday 26th September 2025, approved the Continuation of term of Mrs. Vijay Laxmi Kaushik (DIN: 02249677) as Whole-Time Director of the Company on attaining the Age of Seventy Years, pursuant to Section 196(3), of the Companies Act, 2013 read with the Rules made thereunder.
- 2) During the year 2025-26, Mr. Lovkesh (Mem No. A68975) has resigned from the office of Company Secretary and Compliance Officer w.e.f. 24th June 2025. Further, Mrs. Pallavi Aggarwal (Mem No. A42227) was appointed in the office of Company Secretary and Compliance Officer w.e.f. 25th June 2025.

Adequate notices were given to all directors of the Company as regards the schedule of the Meetings of the Board (including Meetings of its Committees), except where consent of the directors were received for scheduling the meetings at a shorter notice.

Agenda and detailed notes on agenda were also sent to all the directors of the Company at least seven days in advance, except where consent of directors was received for circulation of the Agenda and notes on Agenda at a shorter notice. A system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for ensuring meaningful participation by the directors at the meetings.

All decisions at the Meetings of the Board and its Committees were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period:

1. At the 22nd Annual General Meeting held on the Friday, 26th September 2025, the Members of the Company approved the following.
 - a) Approved the Ratification of Remuneration of Rs. 50000/- per annum plus applicable taxes and reimbursement of out of pocket expenses (at actuals) payable to M/s. S K Agarwal & Associates, Cost Accountants (Firm Registration No. 100322) for conducting the audit of the cost accounting records maintained by the Company in respect of Company's manufacturing activities for the financial year ending 31st March, 2026 in terms of Section 148 of the Companies Act 2013 read with Companies (Audit and Auditors) Rules, 2014.
 - b) Approved the Appointment of Secretarial Auditor M/s. KRS AND Co., Practicing Company Secretaries (Unique Code: S2017MH469000 and Peer Review No. 3967/2023) represented by CS Ketan Ravindra Shirwadkar, having Membership No. F13938 and COP No. 15386 as the Secretarial Auditor of the Company, to hold office for a period of 5 (five) consecutive financial years to undertake Secretarial Audit of the Company as required under the Act and Listing Regulations from the Financial Year ending 31st March, 2026 till the financial Year ending 31st March, 2030.
 - c) Approved the Continuation of term of Mrs. Vijay Laxmi Kaushik (DIN:02249677) as Chairman and Executive Director of the Company on attaining the Age of Seventy Years, pursuant to Section 196(3), of the Companies Act, 2013 read with the Rules made thereunder.
2. During the period under review, Telangana State Pollution Control Board (Regional Office – Hyderabad) have issued an Unconditional Claim letter addressing HDFC Bank Limited for forfeiting complete Bank Guarantee of Rs. 2,00,000/- (Rupees Two Lakhs Only) given through HDFC Bank Limited, for non-compliance of certain provisions of Water (Prevention of Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 such as acid spillage, spillages of furnace oil, storing untreated effluents, not providing hazardous wastes storing shed, storing the sludge in bags openly etc.

Details of Remuneration of Directors, Key Managerial Personnel and Employees and comparatives
[Pursuant to Section 197 and Rule 5(1) of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

1. A.) The ratio of the remuneration of each Director to the median remuneration of the employees of the Company and the percentage increase in remuneration of each Director, Chief Executive Officer, Chief Financial Officer and Company Secretary in the FY 2025-26:

Sr. No.	Name of Director	Designation	Ratio of remuneration to median remuneration	% increase in the remuneration
Executive Directors				
1.	Mr. Vibhor Kaushik	Managing Director	118.50	0
2.	Mr. Vijay Kaushik	Chairman and Executive Director	102.27	0
3.	Mr. Vijay Laxmi Kaushik	Whole Time Director	84.41	0
4.	Mr. Pratima Sandhir	Whole Time Director	100.64	0
5.	Mr. Pankaj Kumar Rai	Executive Director	5.30	27
Key Managerial Personnels				
6.	Mr. Anil Jain	Chief Financial Officer	7.12	0
7.	Mr. Lovkesh Papneja (Resigned w.e.f 24-06-2025)	Company Secretary & Compliance Officer	1.38	N.A.
8.	Ms. Pallavi Aggarwal (Joined w.e.f 25-06-2025)	Company Secretary & Compliance Officer	2.45	N.A.

Notes:

*The Company has not paid any remuneration to Non-Executive Independent Directors except sitting fees for attending Board and Committee Meeting for the Financial Year 2025-26.

- B.) A break-up of median remuneration for employees is given below:

Employee Group	Median Remuneration (₹)*	Increase In Median Remuneration (%)
Full time Employees	1,84,810	7.20%

*The number of permanent employees on the rolls of Company as of March 31, 2026: 803 (excluding directors)

2. The Company decides the remuneration of its Managerial Personnel on the basis of Cost to Company (CTC), whereas, under the provisions of the Act, the managerial remuneration is calculated as per the Income Tax Act, 1961. To provide the fair interpretation of median, the annual Cost to Company (CTC) has been considered and not actual payout during the year, which could vary on account of several reasons. The reported figures look higher or lower depending on the components of the CTC.
3. Average percentiles increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:
- Average Percentile decrease in salaries of employees other than managerial personnel in the last financial year i.e., 2025-26 was 0.19, while there was no increase or decrease in remuneration of managerial personnel.
- The increments given to each individual employee is based on the employees' performance and retention & motivation policy of the Company. Average Increase in the remuneration of employees other than the managerial personnel and that of the managerial personnel is in line with the industry practice and is within the normal range. There are no exceptional circumstances for increase in the managerial remuneration.
4. Affirmation that the remuneration is as per the remuneration policy of the Company: The Company confirms that the remuneration is as per the remuneration policy of the Company.

REPORT ON CORPORATE GOVERNANCE

In compliance with the provisions of Regulation 34 read with Part C of Schedule V of Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), the Company submits the Report on Corporate Governance for the financial year ended March 31, 2026.

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

Corporate Governance comprises various laws, regulations, procedures, implicit rules and good corporate practices which ensure the Company's adherence to fair practices. Your Company believes that Corporate Governance is an ethically driven business process that is essential for maintaining sustained growth of the organization and for enhancing shareholder value.

Your Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behavior and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large. The Board has defined a set of Corporate Governance best practices and guidelines to help fulfill our Corporate Responsibility towards our Stakeholders based on the principles of good corporate governance viz., integrity, equity, transparency, fairness, disclosure, accountability and commitment to values. The Directors, as well as the Senior Management, have always considered Stakeholders' Engagement as a key driver of sustainable business. The Needs and Demands of the Stakeholders are always catered to as a priority.

The Company has established business module, systems and procedures to ensure that its Board of Directors are well-informed and well-equipped to fulfil its overall responsibilities and to provide the management with the strategic direction needed to create long-term stakeholders value. The Company's value creation is based on equitable, inclusive, excellent, integrity, transparent and collaborative stakeholder practices. The Company promotes a safe, healthy and happy workplace for its employees.

Your Company has adopted a Code of Conduct for Senior Management and the Board of Directors which is also available on the website of the Company. It also believes that good Corporate Governance is a key to preserving and enhancing trust bestowed by the investors and ensures long term relationships with other stakeholders which shall ultimately help the Company to achieve its objectives in the long run and strengthen the relations.

Your Company is in compliance with the requirements stipulated under Regulation 17 to 27 and Regulation 46 read with para C, D and E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to corporate governance and makes timely and transparent disclosures regarding financial positions, performances and other related matters to SEBI and the Ministry of Corporate Affairs and complies with all mandatory requirements of Corporate Governance laid down under the Listing Regulations.

2. BOARD OF DIRECTORS:

● Composition of Board:

Your Company has a very balanced and diverse Board of Directors, which primarily takes care of the business needs and stakeholders' interests. The composition of the Board conforms with Regulation 17 of the Listing Regulations, read with Section 149 of the Companies Act, 2013 ("the Act") as amended from time to time with an ideal combination of Executive and Non-Executive Directors with Woman Directors. The composition of the Board as on March 31, 2026 stands as follows :

- One (1) is Managing Director,
- One (1) is Chairman cum Executive Director,
- Two (2) are Women Whole time Director.
- One (1) is Executive Director and
- Five (5) are Independent Directors.

None of the Directors on the Board is a member of more than 10 Committees or Chairperson of more than 5 Committees across all Public Companies in which he/ she is a Director. None of the Executive Directors on the Board serve as independent directors in more than three listed companies. Further, none of the Independent Directors on the Board is serving as an Independent Director in more than seven listed companies. The necessary disclosures regarding Committee positions have been made by all the Directors and the same has been reported to the Stock Exchanges through the Corporate Governance Report filed quarterly.

The number of Directorships and Committee Chairpersonships/ Memberships held by the Directors in other Indian Public Limited Companies as on March 31, 2026, are given hereinbelow.

Independent Directors:

Independent Directors are non-executive directors as defined under Regulation 16(1)(b) of the Listing Regulations and Section 149(6) of the Act along with the rules framed thereunder. The maximum tenure of the Independent Directors complies with the Act. All the Independent Directors have confirmed that:

- They meet the criteria of independence and fulfill the conditions specified in the Listing Regulations and Section 149 of the Act and are independent of the management.
- They are not aware of any circumstance or situation that exists or may be reasonably anticipated, that could impair or impact their ability to discharge duties with an objective independent judgment and without any external influence.
- Not being a director in more than ten public companies (to a limit of seven listed companies) and ten private companies, aggregating to not more than twenty companies.

Based on the declarations received, the Board of Directors confirms that the Independent Directors fulfill the conditions specified in Section 149 of the Act and Regulation 16(1)(b) of the Listing Regulations and are independent of the management. Further, the Independent Directors have included their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs in terms of section 150 of

the Act read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014. All the Independent Directors of the Company comply with the criteria's pertaining to the maximum number of directorships as per Regulation 17A of Listing Regulations.

Changes in the Board during the year:

There were no material changes in the board in the last year.

Meetings of the Board of Directors:

The Notice of the Scheduled Meeting is sent to the concerned Directors well in advance. The Company Secretary intimates the date of the Board Meetings and its outcome to the concerned Stock Exchange* as stated in Regulation 30 read with Part A of Schedule III of the Listing Regulations. The Directors are also given an option of attending the Board Meeting through video conferencing as the Company is equipped with Video Conferencing facilities.

During the Financial Year 2025-2026, the Board of the Company met Nine (9) times on, May 07, 2025, May 28, 2025, Jun 24, 2025, August 02, 2025, August 12, 2025, September 09, 2025, November 12, 2025, February 13, 2026 and March 30, 2026 with the consent from directors to convene the meeting on shorter notice, if any. The necessary quorum was present throughout, at all the Board Meetings. The name and categories of the Directors on the Board, their attendance at the Board Meetings held during the year 2025-2026 and at the 22nd Annual General Meeting held on September 26, 2025 are as follows:

Name	Designation	Category	Number of Board Meetings held during the Financial Year 2025-2026			Whether attended the AGM held September 26, 2025
			Held	Entitled to attend	Attended

Mr. Ashwani Kumar Garg	Director	Non-Executive Independent Director	9	9	7	Yes
Mr. Vikram Grover	Director	Non-Executive Independent Director	9	9	6	Yes

The gap between the two board meetings did not exceed 120 days.

- Meetings of Independent Directors:**

The meeting of Independent Directors was held on 13th February, 2026 and 30th March, 2026 without the attendance of non-independent directors to discuss, inter- alia:

- Review the performance of Non-Independent Directors and the Board as a whole for the financial year 2025-2026.
- Review the performance of the Chairperson of the Company, taking into consideration, the views of Executive Directors and Non-Executive Directors; and
- Assess the quality, quantity and timeliness of the flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

All the Independent Directors were present at the Meeting.

- Detailed reason for Resignation of Independent Directors:**

During the Financial Year 2025-26 no Independent Director resigned from their office before the expiry of his term.

- Quorum:**

The quorum for Board as well as Committee Meetings is one third or two directors/members of committees, as the case may be, whichever is higher.

- Information placed before the Board:**

The agenda of the meeting is set by the Company Secretary in consultation with the Chairperson. Agenda of the Board Meetings, along with the explanatory notes and annexures thereto are distributed in advance to the Directors before each meeting. The Company Secretary is responsible for collation, review and distribution of all the papers submitted to the Board and Committees thereof for their consideration. Information pursuant to Corporate Governance practices as required under Part A of Schedule II of the Listing Regulations has been made available to the Board from time to time.

The Management periodically places Compliance Reports concerning all applicable laws to the Company before the Board of Directors for its review.

- Directors with the material pecuniary or business relationship with the Company:**

The Independent Directors have no pecuniary relationship, other than sitting fees.

- Disclosure of relationship between Directors inter-se:**

- Number of shares held by Non-Executive Directors:**

None of the Non-Executive Directors hold any Shares or convertible instruments of the Company as on March 31, 2026.

- Familiarization Program for Independent Directors:**

The Company has designed a Familiarization Program for its Independent Directors which is imparted at the time of appointment of Independent Director on the Board as well as during the year. The Program aims to provide insights into the whole operations of the Company to enable the Independent Directors to understand the business of the Company and to acclimatize them with the process and functionalities of the Company. The Program also aims to provide statutory and regulatory updates to enable the roles rights and responsibility in the Company.

The Familiarization Program enables the Independent Directors to get a deep understanding of the Company, its people, values and culture and facilitates their active participation in overseeing the performance of the Management.

The Details of Familiarization Program held during the year have been uploaded on the website of the Company at the link <https://www.vstlindia.com/familiarization-programmes-for-independent-directors.php>

- Board Diversity**

The Board ensures that a transparent Board nomination process is in place that encourages diversity of thought, experience, knowledge, perspective, age and gender. It is ensured that the Board has an appropriate blend of functional and industry expertise.

Your Company has adopted a policy on Board Diversity. The same is also available on the website of the Company at

https://www.vstlindia.com/upload_dynamic_content/Board%20Diversity%20Policy.pdf

- Company's policy on Directors' Appointment and Remuneration including criteria for determining Qualifications, Positive Attributes, Independence of a Director:**

Your Company has adopted the Guidelines on Board Effectiveness ("Governance Guidelines" or "guidelines") which inter-alia cover the criteria for determining the qualifications, attributes and independence of a director.

The remuneration policy of the Company is designed to attract, retain and motivate the employees and Directors to work towards achieving the business targets. According to provisions mentioned under Section 178 of the Act, the Nomination and Remuneration Committee ('NRC') has formulated a Remuneration Policy for the appointment and determination of remuneration of the Directors, Key Managerial Personnel, Senior Management Personnel and other employees of your Company. The NRC has also developed the criteria for determining the qualifications, positive attributes and independence of Directors and for making payments to Executive and Non-Executive Directors of the Company.

The NRC takes into consideration the best remuneration practices in the industry while fixing appropriate remuneration packages and administering long-term incentive plans. Annual Increments of the Board Members, Key Managerial Personnel (KMP) and Senior Management Personnel (SMP) are recommended by the NRC to the Board whenever seems necessary. Further, the compensation package of the Directors, KMP, SMP and other employees is designed based on the set of principles enumerated in the said policy.

The Nomination and Remuneration Policy is available on the Company's website at

- https://www.vstlindia.com/upload_dynamic_content/Nomination%20and%20Remuneration%20Policy.pdf

- Performance Evaluation:**

Pursuant to the provisions of the Companies Act, 2013 read with the SEBI Listing Regulations, a Board Evaluation Framework has been approved by the Nomination and Remuneration Committee (NRC) and the Board.

The Board carried out an annual performance evaluation of the Independent Directors individually as well as of the Board. The performance evaluation of the Executive and Non-Executive Directors, including Chairperson and Board of Directors as a whole was carried out by the Independent Directors. The purpose of the Board evaluation is to achieve persistent and consistent improvement in the governance of the Company at the Board level with the participation of all concerned in an environment of harmony. The Board acknowledges its intention to establish and follow best practices in Board Governance in order to fulfil its fiduciary obligation to the Company. The Board believes that the evaluation will lead to a closer working relationship among the Board members, greater efficiency in the use of the Board's time and increased effectiveness of the Board as a governing body.

The Directors expressed their satisfaction with the evaluation process.

- Pursuant to SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Board has identified the following skills/expertise/competencies available to the Board regarding its business and industry:**

The Board is satisfied that the current composition reflects an appropriate mix of knowledge, skills, experience, diversity and independence. The Company has identified the following skills/expertise/competencies for the effective functioning of the Company:

Area of Expertise	Description
Strategic Thinking, Planning and Business Operations	Ability to think strategically; identify and critically assess strategic opportunities and threats. Develop effective strategies in the context of the strategic objectives of the Company, relevant policies and priorities. Experience in driving business success in the markets around the world with an understanding of diverse business environments, economic conditions, cultures and regulatory frameworks and have a broad perspective on market opportunities.
Finance	Ability to comprehend, interpret and guide on financial management, reporting, controls and analysis
Leadership	Ability to have vision, mission, execution, dynamism, and learning agility to lead the Corporate from the front.
Technology	Significant background in technology resulting in knowledge of how to anticipate technological trends, generate disruptive innovation and extend or create new business models.
Governance and Risk Management	Experience in the application of Corporate Governance principles. Ability to identify key risks to the Company in a wide range of areas including legal and regulatory compliance.
Human Resource	Ability to have integrity, patience, leadership, social responsibilities, ethical values and good communication skills.
Sales and Marketing	Experience in developing strategies to grow sales and market share, build brand awareness and equity and enhance Company reputation.

The current composition of the Board comprises of following skills and expertise:

Further, there is no item on the agenda that needs approval by postal ballot.

• Risk Management Framework:

Your Company faces both internal and external risks. Also, we focus on risks in the short, medium as well as long term. Risk management is an integrated aspect of the Company's business operations. Every year, an extensive risk assessment is conducted in which business lines and corporate functions identify all significant risks. The risks are then consolidated and assessed on their potential impact and probability, which is then reported to the Board of Directors. Responsibilities are assigned for significant risks, and mitigating initiatives are established and tracked.

• Disclosures by Management to the Board:

Disclosures relating to financial and commercial transactions where senior management may have personal interests that might have been in potential conflict with the interest of the Company are provided to the Board.

Based on the disclosures received from the Senior Management Personnel; none of the Senior Management Personnel has entered into any transactions during the year in which he/she has a material financial and commercial interest or in which he/

she may have a potential conflict of interest with the interest of the Company at large.

12. MEANS OF COMMUNICATION:

The Company recognizes the importance of communication with Shareholders and prompt disclosure of information on material corporate developments and other events as required under the Listing Regulations. Full and timely disclosure of information regarding Company's financial position and performance is an important part of your Company's corporate governance framework.

Quarterly/ Half-yearly/ Annual Results:

The quarterly/half-yearly/annual results are published within the timeline stipulated under SEBI Listing Regulations. The results are also uploaded on NEAPS NSE Portal and on Listing Centre BSE online portal respectively. The financial results are published within the time stipulated under the Listing Regulations in newspapers viz. Financial Express (in English) and Jansatta (in Hindi). The Financial Statements as stated above are also available on the website of the Company and can be accessed at the web link: <https://www.vstlindia.com/financial-results.php>.

As a part of the Green initiative, the Annual Reports are sent by E-mail to Shareholders whose e-mail ids are registered with the Depositories/ RTA, except those who have prescribed service of documents in physical through a particular means pursuant to Section 20 of the Companies Act, 2013.

Presentation made to Institutional Investors or to the analyst: NIL

Press releases, presentations, etc.:

Official press and media releases are sent to Stock Exchanges and are displayed on Company's website:

<https://www.vstlindia.com/regulation-30-intimations.php>

Management Discussion & Analysis Report:

The Management Discussion & Analysis Report forms a part of the Board's Report. All the matters pertaining to industry structure and developments, opportunities and threats, segment/product wise performance, outlook, risks and concerns, internal control and systems, etc. are discussed in the said report.

Company's Corporate Website:

The Company's website contains a separate section called "Investors" wherein all the information about the company is called for in terms of Regulation 46 of Listing Regulation and the same is being updated from time to time.

SCORES (SEBI Complaint Redress System):

The investor complaints are processed in a centralised web-based complaints redress system. It also enables the market intermediaries and listed companies to receive the complaints from investors against them, redress such complaints and report redressal. All the activities, from lodging of a complaint to disposal, are carried out online automatically and the status of every complaint can be checked online at any time.

Online Dispute Resolution Portal (SMART ODR PORTAL)

SEBI vide circular no. SEBI/HO/OIAE/OIAE_IAD -3/P/ CIR/2023/195 dated July 31, 2023 (updated as on December 28, 2023) has issued a master circular on Online Dispute Resolution in the Indian Securities Market.

The dispute resolution process under the ODR Mechanism shall have two levels i.e., Conciliation and Arbitration. The said mechanism shall be applicable to all the investors who register and lodge their complaint/dispute through SMART ODR Portal. The complaint/Dispute lodged through SMART ODR Portal shall mandatorily follow the process of Online Conciliation first and in case of unsuccessful conciliation, the same may be taken up for online Arbitration. In case the investor is aggrieved with the arbitration award, it may file an appeal before a competent court of law Section 34 of the Arbitration and Conciliation Act, 1996.

Shareholders holding shares in electronic mode should address all their correspondence relating to change of address, change in bank mandate for NECS, etc. to their respective Depository Participant.

9. Share Transfer System:

In terms of amended Regulation 40 of the SEBI Listing Regulations w.e.f. 1st April, 2019, transfer of securities in physical form shall not be processed unless the securities are held in the demat mode with a Depository Participant. Further, with effect from 24 January, 2022, SEBI has made it mandatory for listed companies to issue securities in demat mode only while processing any investor service requests viz. issue of duplicate share certificates, exchange/sub-division/ splitting/ consolidation of securities, transmission/ transposition of securities. Vide its Circular dated 25 January 2022, SEBI has clarified that listed entities/ RTAs shall now issue a Letter of Confirmation in lieu of the share certificate while processing any of the aforesaid investor service requests.

Further, Pursuant to SEBI Circular No. HO/38/13/11(2)2026-MIRSD-POD/I/3750/2026 dated January 30, 2026, a special window is opened for transfer and dematerialisation ("demat") of physical securities which were sold/ purchased prior to April 01, 2019.

This special window will remain open up to February 04, 2027. Further note that while lodging request under this special window for transfer of physical shares, one of the mandatory requirements is submission of original share certificate which is as follows:

Execution Date of Transfer Deed	Lodged for transfer before April 1, 2019	Original Security Certificate Available	Eligible to lodge in the current window
Before April 1, 2019	No (it is fresh lodgement)	Yes	√
	No (it was rejected/ returned earlier)	Yes	√
	Yes	No	X
	No	No	X

Further the following cases will not be considered under this window:

- Cases involving disputes between transferor and transferee.
- Securities which have been transferred to Investor Education and Protection Fund (IEPF).

All shares re-lodged during this period will be processed through the transfer-cum-demat route, i.e. they will only be issued in dematerialized (demat) form after transfer and the same will be subject to a lock in of one year. Investors may submit their request till February 04, 2027, with the Registrar & Share Transfer Agent (RTA) of the Company.

10. Distribution of shareholding as on March 31, 2026:

Number of Equity Shares	No. of shareholders	% to total No. of Shareholders	No. of Shares	% to total

- 18.** The Managing Director and the Chief Financial Officer of the Company give annual certification on financial reporting and internal controls to the Board in terms of Regulation 17 read with Part B of Schedule II of Listing Regulation. Accordingly, a certificate by Mr. Vibhor Kaushik, Managing Director and Mr. Anil Jain, Chief Financial Officer, in terms of Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, was placed before the Board at their meeting held on 6th August 2026.

19. Other shareholders related information:

• **Procedure for dematerialization of shares:**

Shareholders seeking Demat of their shares need to approach their Depository Participants (DP) with whom they maintain a Demat account. The DP will generate an electronic request and will send the physical share certificate to Registrar and Share Transfer Agent ("the Registrar") of the Company. Upon receipt of the request and share certificate, the Registrar will verify the same. Upon verification, the Registrar will request National Securities Depository Ltd. (NSDL) / Central Depository Services (India) Ltd. (CDSL) to confirm the Demat request. The Demat account of the respective shareholder will be credited with an equivalent number of shares. In case of rejection of the request, the same shall be communicated to the shareholder.

• **Transfer of Unclaimed / Unpaid amounts and shares to the Investor Education and Protection Fund (IEPF):**

- » Pursuant to Section 124 and 125 and all other applicable provisions, if any, of the Act, the amount of the dividend remaining unpaid or unclaimed for seven years from the date of transfer to the unpaid dividend account of the Company shall be transferred to the Investor Education and Protection Fund (the Fund) set up by the Government of India.
- » Members are requested to note that there is no Dividend which remained unpaid or unclaimed for seven years which is required to be transferred by the Company to the Fund in the Financial year 2025-2026.
- » In accordance with Section 124(6) of the Act read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended from time to time, amongst other matters, all shares in respect of which dividend has remained unclaimed or unpaid for seven consecutive years or more are required to be transferred to the Demat Account of the IEPF Authority.
- » Members are requested to note that no claim shall lie against the Company in respect of any amount of dividend remaining unclaimed/

unpaid for seven years from the dates they became first due for payment. However, Shareholders may claim from IEPF Authority both unclaimed dividend amount and the shares transferred to IEPF Demat Account as per the applicable provisions of Act and rules made thereunder. The Member/ Claimant is required to make an online application to the IEPF Authority in Form IEPF-5 (available on www.iepf.gov.in) along with requisite fees as decided by the IEPF Authority from time to time. The Member/Claimant can file only one consolidated claim in a financial year as per the IEPF Rules.

During the financial Year 2025-2026, no shares and dividend were transferred to IEPF.

14. OTHER DISCLOSURES:

a. Related Party Transactions:

During the financial year 2025-2026, your Company had transactions with related parties as defined under the provisions of the Act and Regulation 23 of the Listing Regulations. The basis of related party transactions is placed before the Audit Committee. All these transactions with related parties were in the 'ordinary course of business' and on an 'arm's length basis'. Prior omnibus approval of the Audit Committee is obtained on a yearly basis for the repetitive transactions.

There were no material related party transactions during the year under review. Necessary disclosure as required has been made in Note No. 40 of the Financial Statements.

The Company's Policy on Related Party Transactions has been uploaded on the Company's website at https://www.vstlindia.com/upload_dynamic_content/Policy%20on%20Related%20Party%20Transaction.pdf

COMPANY SECRETARY IN PRACTICE'S REPORT ON CORPORATE GOVERNANCE

To
The Members,
VIBHOR STEEL TUBES LIMITED
Plot No. 2, Industrial Development Colony,
Delhi Road, Hisar,
Haryana, India, 125005.

The Corporate Governance Report prepared by Vibhor Steel Tubes Limited ("the Company"), contains details as stipulated in regulations 17 to 27 and Regulation 46 and para C D and E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") with respect to Corporate Governance for the year ended March 31, 2026 pursuant to the Listing Agreement of the Company with the BSE Limited and National Stock Exchange of India Limited (referred to as the "Stock Exchanges").

Management's Responsibility

The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.

Auditor's Responsibility

Pursuant to the requirements of the Listing Regulations, it is my responsibility to provide a reasonable assurance whether for the year ended March 31, 2026 the Company has complied, with the conditions of Corporate Governance as stipulated in the Listing Regulations.

My examination was limited to procedures and implementation thereof adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Opinion

In my opinion, based on my examination of the relevant records and to the best of my information and according to explanations given to me, and representations provided by the management, I certify that, the Company, has complied with the conditions of Corporate Governance as stipulated, in the above-mentioned Listing Regulations during the year ended March 31, 2026.

Other Matters and Restriction on use

I state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, for the year ended March 31, 2026, and it should not be used by any other person or for any other purpose. Accordingly, I do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without my prior consent in writing.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. ECONOMIC REVIEW

1.1 Global Economic Review

The global economy continues to navigate a challenging and uncertain environment marked by heightened geopolitical tensions, trade barriers, and persistent inflationary pressures. Following a period of resilience, global growth is projected to moderate to 3.1% in 2026 before improving marginally to 3.2% in 2027, primarily due to the adverse impact of ongoing geopolitical conflicts, including the recent escalation of tensions in the Middle East. Global inflation is expected to witness a temporary uptick during 2026 before resuming its downward trajectory in 2027. Emerging market and developing economies are likely to experience a more pronounced slowdown in growth alongside elevated inflationary pressures. The global outlook remains subject to significant downside risks arising from prolonged geopolitical conflicts, increasing fragmentation of global trade and investment flows, financial market volatility, and rising public debt levels. Nevertheless, faster-than-expected productivity gains driven by technological advancements, particularly artificial intelligence, and a sustained easing of trade tensions could provide support to global economic activity. In this evolving landscape, maintaining policy credibility, strengthening international cooperation, and enhancing economic adaptability remain critical to sustaining growth and mitigating the long-term economic consequences of geopolitical and macroeconomic disruptions.

Outlook

The global economic outlook remains cautiously optimistic despite persistent geopolitical and economic uncertainties. While growth is expected to moderate in the near term, easing inflationary pressures, technological advancements, and gradual stabilization of global trade are likely to support economic recovery over the medium term. However, risks arising from geopolitical conflicts, supply chain disruptions, trade fragmentation, and financial market volatility continue to warrant close monitoring. Going forward, economies that maintain prudent fiscal and monetary policies, embrace innovation, and strengthen international cooperation are expected to be better positioned to achieve sustainable growth and resilience in an increasingly complex global environment.

Region-wise economic growth (%)

Region	2025	2026 (P)	2027 (E)
Global Economy	3.4	3.1	3.2
Advanced Economies (AEs)	1.9	1.8	1.7
Emerging Markets and Developing Economies (EMDEs)	4.4	3.9	4.2

(P- Projections, E- Estimates) (Source: International Monetary Fund)

1.2 Indian Economic Review

The Indian economy continued to demonstrate remarkable resilience amidst a challenging global environment characterized by geopolitical tensions, trade disruptions, and financial market volatility. Supported by strong domestic

demand, sustained government capital expenditure, robust services sector performance, and macroeconomic stability, India remains one of the fastest-growing major economies in the world. For FY 2026-27, GDP growth is projected at 6.8%, with agriculture, industry, and services sectors expected to grow by 3.7%, 6.6%, and 7.4%, respectively. Inflation is anticipated to remain well contained at around 4.1%, within the Reserve Bank of India's comfort range, supported by prudent monetary policy and effective supply-side management. Continued strength in services exports, healthy foreign exchange reserves, and a stable financial system have further enhanced India's resilience against external shocks while supporting sustained economic expansion.

Outlook

India's economic outlook for FY 2026-27 remains positive, underpinned by strong domestic consumption, ongoing infrastructure development, increasing manufacturing competitiveness, and continued momentum in the services sector. The Government's focus on capital expenditure, fiscal discipline, ease of doing business, and structural reforms is expected to further strengthen growth prospects. While external risks such as geopolitical uncertainties, global trade protectionism, commodity price fluctuations, climate-related disruptions, and volatile capital flows may pose challenges, India's strong macroeconomic fundamentals, expanding digital economy, and growing investment ecosystem position it favourably for sustained long-term growth. Continued policy stability, technological advancement, and enhanced private sector participation are expected to support economic resilience and reinforce India's growth trajectory in the years ahead.

Source: Economic Outlook Survey by FICCI, Feb' 2026

2. INDUSTRY REVIEW

2.1 Global Steel Industry

The global steel industry witnessed a challenging operating environment during FY 2025-26 amid persistent geopolitical tensions, trade disruptions, slowing industrial activity in major economies, and continued weakness in China's real estate sector. Global steel demand remained subdued across several developed markets due to elevated interest rates, weak construction activity, and cautious capital expenditure by businesses. While infrastructure investments and industrial policy initiatives in major economies provided some support, overall demand growth remained uneven across regions.

China, the world's largest steel producer and consumer, continued to experience declining domestic steel demand owing to structural adjustments in its property sector and slower economic growth. However, Chinese steel production remained relatively resilient, resulting in elevated export volumes exceeding 110 million tonnes, the highest level in nearly a decade. The surge in Chinese exports intensified competition in international markets and prompted several countries to initiate anti-dumping investigations and trade protection measures to safeguard domestic industries.

In contrast, emerging economies, particularly India, remained key drivers of global steel consumption. Supported by strong infrastructure spending, urbanization, manufacturing growth,

and government-led capital expenditure programmes, India continued to register robust growth in steel demand. According to industry estimates, global steel demand remained broadly stable during 2025, while demand growth in India significantly outpaced most other major economies. Nevertheless, excess global steelmaking capacity, volatile raw material prices, and growing trade barriers continued to pose challenges to industry profitability and market stability.

Outlook

The outlook for the global steel industry remains cautiously optimistic, supported by expected recovery in manufacturing activity, continued infrastructure investments, and resilient demand from emerging economies. Global steel demand is projected to grow by approximately 1.0%–1.5% during 2026, reaching around 1.77 billion tonnes, with India expected to remain the fastest-growing major steel market driven by infrastructure development, construction activity, renewable energy investments, and manufacturing expansion.

However, the industry continues to face several challenges, including excess production capacity, particularly in Asia, increasing protectionist trade measures, geopolitical uncertainties, and volatility in raw material and energy prices. Rising exports from China are likely to keep international steel markets competitive and may lead to further trade interventions across key importing nations.

The transition towards low-carbon steel production is expected to accelerate globally, with increased investments in Electric Arc Furnace (EAF) technology, hydrogen-based Direct Reduced Iron (DRI) projects, and other green steel initiatives. While regulatory support and sustainability-driven investments are gaining momentum, the pace of adoption will depend on technological advancements, availability of renewable energy infrastructure, and economic viability. Overall, long-term growth prospects for the steel industry remain positive, supported by infrastructure development, industrialization, and the global transition towards sustainable manufacturing practices.

2.2 Indian Steel Industry

India continued to strengthen its position as the world's second-largest crude steel producer and one of the fastest-growing steel-consuming nations during FY 2025-26. The Indian steel industry benefited from strong domestic demand driven by sustained government investment in infrastructure, increasing

urbanization, growth in manufacturing activities, expansion of the renewable energy sector, and rising demand from the automotive, construction, railways, and engineering sectors. The Government's continued emphasis on capital expenditure, coupled with initiatives such as the National Infrastructure Pipeline (NIP), PM Gati Shakti Programme, Production Linked Incentive (PLI) Scheme, and Make in India initiative, provided significant impetus to steel consumption across the country.

India's crude steel production and finished steel consumption continued to register healthy growth, supported by robust economic activity and strong domestic demand fundamentals. The industry also witnessed substantial investments in capacity expansion, modernization, and value-added steel products to meet the country's long-term growth aspirations. However, the sector faced challenges arising from increased imports, particularly from China and other Asian countries, volatile raw material prices, logistics costs, and global trade uncertainties. Despite these challenges, the Indian steel industry remained resilient, supported by favourable demographics, policy support, and strong end-user demand, reinforcing its position as a key contributor to India's industrial and economic growth.

Outlook

The outlook for the Indian steel industry remains highly positive, with domestic steel demand expected to grow by approximately 8-9% during FY 2026-27, significantly outpacing global demand growth. The growth is expected to be driven by continued investments in infrastructure, affordable housing, transportation networks, renewable energy projects, industrial expansion, and increasing manufacturing activity under various government initiatives. Capacity additions by major steel producers, coupled with rising investments in downstream and value-added steel products, are expected to further strengthen the industry's growth trajectory.

The Government's continued focus on infrastructure development, domestic manufacturing, green steel initiatives, and trade protection measures against unfair imports is likely to support industry growth and profitability. While challenges such as raw material price volatility, import competition, environmental compliance requirements, and global economic uncertainties may persist, India's strong economic fundamentals, favourable policy environment, and growing steel intensity across key sectors are expected to sustain long-term demand growth. Consequently, India is well positioned to remain the fastest-growing major steel market globally and a significant contributor to future global steel consumption.

Government Initiatives

The Government of India continued to implement several policy measures and strategic initiatives during FY 2025-26 to support infrastructure development, manufacturing growth, sustainability, and the long-term competitiveness of the steel sector:

- 1. Infrastructure Investment:** The Union Budget 2025-26 allocated capital expenditure of ₹11.21 lakh crore towards infrastructure development, with significant investments in highways, railways, ports, airports, urban infrastructure, defence, and logistics networks. This sustained focus on infrastructure creation is expected to remain a key driver of steel consumption in the country. Source: Union Budget 2025-26.
- 2. PM Awas Yojana:** The Government continued implementation of PMAY Urban 2.0 and PMAY Gramin programmes to promote affordable housing. PMAY-U 2.0 aims to provide assistance to one crore urban families over five years, creating significant demand for steel and allied construction materials in the residential sector.
- 3. National Infrastructure Pipeline (NIP) and PM Gati Shakti:** The Government's continued emphasis on multimodal connectivity under the PM Gati Shakti National Master Plan and ongoing infrastructure projects under the National Infrastructure Pipeline is expected to support long-term demand for steel across transportation, logistics, industrial corridors, and urban development projects.
- 4. National Green Hydrogen Mission (NGHM) and Green Steel Transition:** Under the National Green Hydrogen Mission, with an overall outlay of ₹19,744 crore, the Ministry of Steel has been allocated ₹455 crore for pilot projects aimed at promoting hydrogen-based steelmaking technologies and reducing carbon emissions. The Ministry has already awarded seven pilot projects for hydrogen utilisation in iron and steel production, supporting India's transition towards green steel manufacturing.
- 5. Logistics and Supply Chain Efficiency:** Through PM Gati Shakti and other logistics reforms, the Government continues to focus on improving freight efficiency, multimodal transportation, and supply chain integration. These measures are expected to reduce logistics costs, improve competitiveness, and enhance operational efficiency for steel manufacturers.
- 6. Make in India , PLI Schemes and MSME Support:** The Government's focus on domestic manufacturing through the Make in India initiative, Production Linked Incentive (PLI) schemes, and continued support to Micro, Small and Medium Enterprises (MSMEs) is expected to stimulate industrial growth and increase steel consumption across manufacturing, engineering, automotive, and capital goods sectors. The Union Budget 2025-26 identified MSMEs, investment, agriculture, and exports as key growth engines for the economy.

These initiatives underscore the Government's commitment towards infrastructure-led growth,

manufacturing expansion, sustainability, and economic development, all of which are expected to support sustained growth in steel demand and strengthen the long-term outlook for the Indian steel industry.

2.3 Global Steel Tubes & Pipes Industry

The global steel tubes and pipes industry continued to witness steady growth during FY 2025-26, supported by increasing investments in infrastructure development, energy transportation, industrial manufacturing, urban utilities, and water management projects across both developed and emerging economies. Steel pipes and tubes remain critical components for oil & gas transportation, construction, power generation, automotive manufacturing, engineering applications, and municipal infrastructure.

According to Grand View Research, the global steel pipes and tubes market was valued at approximately USD 137.6 billion in 2025 and is projected to reach USD 209.9 billion by 2033, growing at a CAGR of 6.0% during the forecast period. Asia-Pacific accounted for more than 60% of the global market, driven by rapid urbanization, infrastructure expansion, industrialization, and growing investments in energy and utility networks across China, India, and Southeast Asia. The oil and gas sector remained the largest end-use segment, accounting for over 50% of market demand, while seamless pipes continued to dominate the product mix with a market share exceeding 66%.

The industry also benefited from rising investments in natural gas pipelines, LNG infrastructure, renewable energy projects, power generation facilities, water supply systems, and industrial corridors. Technological advancements in high-strength steel grades, corrosion-resistant coatings, precision manufacturing, and sustainable production processes have further enhanced product performance and application scope. Additionally, growing emphasis on energy security, hydrogen transportation networks, carbon capture infrastructure, and modernization of ageing utility assets is creating new growth opportunities for steel tube manufacturers globally.

Despite positive demand fundamentals, the industry continues to face challenges arising from global overcapacity, trade protection measures, raw material price volatility, geopolitical uncertainties, and increasing environmental compliance requirements. Nevertheless, long-term demand prospects remain favourable, supported by continued infrastructure investment, industrial growth, urbanization, and the global energy transition.

- Growth in global electricity demand and investments in power infrastructure driving steel tube consumption.

4. Industry developments

- Expansion of oil & gas pipeline infrastructure, LNG projects, hydrogen networks, and carbon capture transportation systems global

2.4 Indian Steel Tubes & Pipes Industry

India's steel tubes and pipes industry continued its strong growth trajectory during FY 2025-26, supported by robust infrastructure development, expanding oil and gas pipeline networks, urbanization, industrial growth, and increased investments in water supply and sanitation projects. As the world's second-largest steel producer and one of the fastest-growing major economies, India offers a favourable environment for the steel tubes and pipes sector, which serves as a critical link to industries such as oil & gas, construction, power, irrigation, transportation, renewable energy, and manufacturing.

According to industry estimates, the Indian steel pipes and tubes market was valued at approximately USD 31.6 billion in 2025 and is expected to reach around USD 47.8 billion by 2030, growing at a CAGR of approximately 8.6%. Demand growth continues to be driven by the Government's focus on infrastructure creation under programmes such as PM Gati Shakti, National Infrastructure Pipeline (NIP), Jal Jeevan Mission, Smart Cities Mission, Bharatmala, railway modernization, and expansion of city gas distribution networks. In addition, increasing investments in oil & gas transmission pipelines, water transportation systems, renewable energy projects, and industrial manufacturing are creating substantial opportunities for the sector.

The industry is also benefiting from the Government's emphasis on domestic manufacturing through the Make in India initiative, rising private sector capital expenditure, and growing exports of value-added steel products. Technological advancements in high-strength steel tubes, precision engineering, corrosion-resistant coatings, and sustainable manufacturing practices are further enhancing competitiveness and expanding application areas. With favourable demographic trends, increasing urbanization, strong policy support, and sustained infrastructure investments, the Indian steel tubes and pipes industry remains well-positioned for long-term growth and continues to play a vital role in India's industrial and economic development.

3. COMPANY OVERVIEW

Our Company was originally incorporated as 'Vibhor Steel Tubes Private Limited' a private limited company under the Companies Act, 1956 pursuant to a certificate of incorporation dated April 16, 2003 issued by the Registrar of Companies, National Capital Territory of Delhi and Haryana. Thereafter, our Company was converted from private to public company, pursuant to a special resolution passed by the shareholders of our Company on June 14, 2023 and a fresh certificate of incorporation consequent to change of name was issued by the Registrar of Companies, Delhi ("RoC") on July 07, 2023. The company got listed on stock exchanges i.e BSE & NSE on February, 2024.

Vibhor Steel Tubes Limited is manufacturers and exporters of following products:

Vibhor Steel Tubes Limited is a leading manufacturer and exporter of steel tubes, pipes, and value-added steel products, with over two decades of experience in the steel industry. The Company specializes in the manufacturing of Electric Resistance Welded (ERW) Pipes, Hot-Dip Galvanized Pipes, Hollow Sections, Primer Painted Pipes, Crash Barriers, Power Transmission Line Towers, High Mast Lighting Poles, Octagonal Poles, Monopoles, and other steel infrastructure products.

Over the years, the Company has established a strong presence in both domestic and international markets by delivering high-quality products to diverse sectors, including infrastructure, construction, power transmission, transportation, oil & gas, water distribution, agriculture, telecommunications, and heavy engineering industries.

The Company's manufacturing capabilities enable it to produce steel tubes and pipes in a wide range of sizes, thicknesses, and profiles, including round, square, rectangular, elliptical, and customized sections, catering to specific customer requirements. These products find application across various engineering and industrial uses such as structural frameworks, industrial fabrication, furniture, transportation equipment, automotive components, utility infrastructure, and other specialized applications.

The Company's diversified product portfolio serves a broad range of end-user industries. ERW pipes are extensively used in water transportation, oil & gas distribution, and structural applications. Hot-dip galvanized pipes cater to agriculture, infrastructure, and building construction requirements. Hollow sections are widely used in commercial buildings, industrial facilities, warehouses, and engineering structures. Crash barriers support road safety infrastructure across highways, expressways, and railway projects. The Company's transmission

line towers, monopoles, octagonal poles, and high mast lighting poles play a critical role in power transmission, urban infrastructure, smart city projects, and public utility networks.

Backed by strong manufacturing capabilities, quality assurance systems, customer-centric operations, and a commitment to innovation, Vibhor Steel Tubes Limited continues to strengthen its position as a trusted supplier of steel solutions, contributing to India's infrastructure development and industrial growth.

4. BUSINESS STRENGTHS

1. Association with Jindal Pipes Limited

Promoters of the Company and Jindal Pipes Limited ("JPL") share common friendship from Hisar origin. The Company benefits from a long-standing relationship with JPL. It started with Job work activity which has now translated into full time production of pipes (0.5 inch to 12 inch) for JPL under brand "Jindal Star". As per the business agreement dated renewed April 01, 2023, the Company sells all its finished product under brand name "Jindal Star" to JPL and its approved customers based on monthly card rates. As entire procurement and selling is facilitated by JPL, pricing becomes very transparent and passing of variation in raw material prices to the customers is effective.

2. Strategic location of manufacturing Units

Unit I is located at located Raigad, Maharashtra, which is the best place for export of goods, we export 100% of export sales from Unit I only. Unit II is located around seventy (70) kms from Hyderabad in the Mahabubnagar District, State of Telangana and close to Jadcherla industrial area. This proximity enables ease of logistics, power, water supply and raw materials for our operations in Unit I. We have established unit III in Sundergarh (Odisha). The plant is approx. 20 kms from the city of Sundergarh. The company has commenced production in this facility in June 2025.

3. Experienced Promoters and senior management team

Our two Promoters, Mr. Vijay Kaushik and Mr. Vibhor Kaushik are qualified professionals with an individual experience of more than 4 & 2 decades respectively in the Steel Pipes & Tubes industry and have been instrumental in driving our growth since inception of our business. We believe that our management team's experience and their understanding of the industry will enable us to continue to take advantage of both current and future opportunities. A large number of our senior management personnel have worked with us for a significant period of time, resulting in effective operational coordination and continuity of business strategies. They have led the organization through acquisitions, development of new systems and components etc.

4. International Accreditations.

As we sell our product under the brand name "Jindal Star" for Jindal Pipes Limited. We follow international standard manufacturing practises and our Manufacturing Facility benefits from the quality benchmarking certifications such as (i) ISO 9001:2015 for manufacturing & supply of ERW Steel Pipes-Black & Galvanized with certificate number

10116-AQMS-0216 approved by Global Accreditation Board and International Council of Accreditation Bodies issued by Acerna Management Systems Private Limited, a third party (ii) IS 1239:2004, IS 3601:2006, IS 3589:2001 from Bureau of Indian Standards Such practices and accreditations, coupled with our technical capabilities and know-how enable us to manufacture products for both domestic and international customers.

5. Export of finished goods

We export our manufactured goods for the Jindal Pipes Limited under the brand of Jindal to the overseas customers. We directly deal with our foreign customers & deliver the products directly to customers and also invoice them directly instead of Jindal. Currently we are focusing to increase our export sales. We believe that our diversified customer base provides us significant penetration in the market in which we operate and thereby hedges our business operations from potential sector specific risks, including but not limited to policy announcements, change in global markets and international relations etc.

6. Well-developed distribution and marketing network

With the help of Jindal Pipes Limited, our company has developed and implemented a wide range of networking channels throughout the industry and society to strengthen the scope of identifying core customer base and designing right marketing strategies for procurement and liaising of projects to deliver customized solutions for clients. Our distribution and marketing network ensure our product availability to our customers translating into efficient supply chain, focused customer service and short turnaround times for product delivery. We have customers in domestic as well as in international market, as on March 31, 2026, we have exported around 8 countries across the globe.

7. Integrated manufacturing facility

We do continuous endeavour to maintain the requisite infrastructure and technological upgradation for the smooth running of the manufacturing process as well as to cope with the changing market demand situation. There is a continuous change in the technology and the markets are very dynamic to the change in technology. We keep ourselves technologically upgraded with the latest machines and infrastructure. We have well equipped machinery in all the 3 units.

8. Stable Financial

Your Company maintains good financial discipline and is regular in payment of banks interest/ instalments as well as creditors on time. Your Company follows stringent financial policies. Your Company has policy of having internal audits done from time to time to ensure that there is no margin of error.

5. BUSINESS STRATEGIES

1. Expansion of our footprint in international market

We have successfully exported finished goods under the brand name "Jindal Star" around 8 countries across the globe. We plan to continue our strategy of diversifying and expanding our presence in these regions for the growth of our business. We are selective in expanding

to new locations and look at new geographies where we can deliver quality products without experiencing significant delays and interruptions. Through further diversification of our operations geographically, we hope to hedge against risks of operations in only specific areas and protection from fluctuations resulting from business concentration in limited geographical areas.

2. Continue to enhance our core strengths by attracting, retaining and training qualified personnel

We believe that our ability to effectively execute and manage projects is crucial to our continued success. We understand that maintaining quality, minimising costs and ensuring timely completion of our projects depends largely on the skill and workmanship of our employees. As competition for qualified personnel increases among engineering and manufacturing companies in India, we seek to improve competitiveness by increasing our focus on training our staff. We offer our engineering and technical personnel a wide range of work experience and learning opportunities by providing them with continuous training in latest systems, techniques and knowledge upgradation.

3. Continue to improve operating efficiencies through technology enhancements

Our production process is completely automated with our Manufacturing facilities, housing latest product specific equipment and machineries that support us in manufacturing of our Products in accordance with our customer requirements. In line with our proposed expansion plans, we intend to further develop our technology systems in order to increase asset productivity, operating efficiencies and strengthening our competitive position.

4. Strengthen our Goodwill

We are in the business of manufacturing of mild steel and stainless-steel pipes/tubes since approximately last twenty years whereas our peer group industry players/competitors have the benefit of average 40 years longer operating history in comparison with ours, and therefore, our brand development is at a relatively nascent stage. Considering our current market presence with our customers in diversified sectors and geographies in order to further penetrate the market, we intend to make consistent efforts to strengthen own goodwill with the help of Jindal Pipes Limited and enhance our brand visibility for attaining parity with our industry peers. Towards this end, we intend to undertake various marketing initiatives including participation in industrial trade fairs, dealers meet organised by Jindal Pipes Limited. We believe that such initiatives shall improve our brand positioning, overall brand recall value and support us in our growth strategy.

6. PRODUCT RANGE

1. ERW ("Electric Resistance Welded") Pipes:

The Electric Resistance Welded Pipes are manufactured from high-quality continuous cast, fully killed, controlled, low-carbon steel coils which are procured from trusted vendors. The raw material is turned into the final product after being processed in carefully supervised and technically digitized high-end tube mills. The company's tubing processes ensure that ERW pipes manufactured have high strength corrosion resistance, high malleability, superior strength, sturdiness and durability as special features. Provide a range of options in varying qualities, wall thickness, diameters and finishes depending on the requirement of the end-users. Hot rolled coils are purchased from SAIL, JSW etc.

Applications: Water Transport, Oil. Gas & other non-toxic supplies.

2. Hot -Dipped Galvanized Pipes:

Corrosion resistant pipes, i.e. Galvanized Pipes are manufactured at the plant in large quantities, using high-end Zinc to coat. Having a cover of protective zinc, these pipes have maximum resistance to corrosion, increasing their life expectancy. Apart from preventing rust, this process is equally effective in dry and indoor environments. Standard 21-foot zinc coated galvanized tubes and pipes are either threaded or welded, depending on the diameter sizes and finally undergo a heavy-duty saw cutter before moving to quality checks. Zinc is purchased from dealers of Hindustan Zinc Limited.

Applications: Agriculture & Infrastructure. While galvanized pipes do find their way in piping inside buildings for water supply, albeit on a lower scale in recent years, they are more popularly used as Building and structural material, Mechanical an general engineering Public transport bodies like buses, railway bogies. In Telephone department as Conduit Pipes Handrails and replacement of existing pipes.

3. Hollow Sections Tubes:

ERW Pipes are also manufactured in Hollow sections shapes i.e. square and rectangular. Each steel hollow section features a high strength to weight ratio that results in savings in steel costs. The sections are best suited for welding, are corrosion resistant and easily bendable which leads to the shaping and construction of aesthetically appealing structures without comprising on strength and durability. Customers are provided with an option to primer paint the pipes for protection during storage and handling. Dura Primed primer paint is used to ensure speedy delivery while maintaining quality. Coated pipes offer high resistance to corrosion on pipes and provide many benefits such as:

- Increased Flow Capacity
- Reduced Maintenance Cost
- Lower energy usage and Clean delivery of products

Applications: Hollow sections tubes/Square Tubes used by all the organised & unorganised industries in the market such as uses in offices, factories, Hotels etc.

4. Crash Barrier:

Metal Beam Crash Barriers are extensively deployed along medians, shoulders, verges, and high embankments to enhance road safety and protect road users. Compared to rigid barriers, metal beam crash barriers offer superior safety performance due to their inherent resilience, which absorbs and dissipates impact energy, thereby reducing the severity of collisions and minimizing damage to errant vehicles. These barriers are designed for quick and efficient maintenance, as damaged beams or posts can be easily replaced without extensive reconstruction work, resulting in reduced downtime and lower maintenance costs. The use of zinc-coated components ensures enhanced corrosion resistance, extended service life, and cost-effective long-term performance. Owing to their proven reliability, durability, ease of maintenance, and superior safety characteristics, conventional metal beam crash barriers continue to be widely preferred for highway and road infrastructure projects.

Applications: Railways, highways & roads

5. Transmission Line Towers:

Transmission Line Towers are a critical component of modern power infrastructure, enabling the safe and efficient transmission of electricity across long distances. Designed and manufactured for voltage classes up to 765 kV, the Company's transmission line towers cater to a wide range of utility, industrial, and infrastructure applications in both domestic and international markets. Manufactured using advanced CNC angle line machines, hydraulic punching and shearing systems, and automatic drilling equipment, these structures offer high dimensional accuracy, structural integrity, and consistent quality. The use of certified steel conforming to IS, ASTM, and equivalent international standards ensures superior mechanical performance and long-term reliability. All towers undergo a hot-dip galvanization process, providing excellent corrosion resistance and extended service life, even in demanding environmental conditions. Further, every tower design is validated through in-house proto erection to ensure precise fitment, alignment, and structural correctness prior to mass production, thereby minimizing installation risks and on-site rework. Supported by robust manufacturing capabilities, stringent quality control processes, and the ability to deliver both standard and customized configurations, the Company is well positioned to serve growing demand from power transmission networks, railway electrification projects, and other critical infrastructure sectors.

- Manufactured at Unit III, Sundargarh (Odisha)
- Commercial production since June 2025
- Dedicated power transmission infrastructure facility
- Expands geographic reach & production scale

6. Monopoles:

Monopoles are increasingly being adopted as an efficient and space-saving solution for power transmission, distribution, telecommunications, and urban infrastructure applications. Their compact footprint, aesthetic appearance, and ease of installation make them particularly suitable for congested urban areas, highways, railway corridors, and locations where right-of-way constraints exist. Manufactured using high-quality steel and advanced fabrication processes, monopoles are engineered to provide superior structural strength, stability, and durability under varying load and environmental conditions. The structures are hot-dip galvanized to ensure excellent corrosion resistance and extended operational life with minimal maintenance requirements. Designed in accordance with applicable national and international standards, monopoles can be customized to meet specific project requirements, including varying heights, load capacities, and application needs. Their modular design enables faster transportation, erection, and commissioning, resulting in reduced project timelines and lower installation costs. With growing investments in power infrastructure, telecommunications networks, and smart city developments, monopoles continue to gain prominence as a reliable, cost-effective, and technologically advanced infrastructure solution.

7. Octagonal Poles:

Octagonal Poles are an integral component of modern infrastructure, providing reliable and aesthetically appealing solutions for street lighting, power distribution, telecommunications, solar installations, and public utility applications. Their multi-sided geometric design offers enhanced structural strength, stability, and efficient load distribution compared to conventional poles, making them well-suited for supporting various equipment and installations across urban and rural environments. Manufactured using high-quality steel and advanced fabrication technologies, these poles are engineered to deliver superior durability, precision, and long-term performance under diverse operating conditions. Hot-dip galvanization ensures excellent corrosion resistance and extended service life, minimizing maintenance requirements and lifecycle costs. Designed in accordance with stringent industry standards, Octagonal Poles can be customized across a wide range of heights, configurations, and load-bearing capacities to meet specific project requirements. Their ability to withstand high wind speeds and harsh environmental conditions makes them a preferred choice for critical infrastructure projects. Combining structural reliability, versatility, visual appeal, and cost-effective performance, Octagonal Poles continue to play a vital role in supporting the development of resilient and sustainable infrastructure networks.

8. High Mast Lightening Poles:

High Mast Lighting Poles are a critical infrastructure solution for providing uniform and efficient illumination across large outdoor areas such as highways, expressways, airports, ports, railway yards, industrial complexes, stadiums, parking facilities, and urban public spaces. Engineered for superior structural performance, these

poles are manufactured from high-quality steel using advanced fabrication processes to ensure strength, stability, and long-term reliability under demanding operating conditions. Their elevated mounting height enables wider light distribution, reducing the number of installations required and enhancing overall energy efficiency. Hot-dip galvanization provides excellent protection against corrosion, ensuring extended service life and minimal maintenance requirements even in harsh environmental conditions. Designed in compliance with applicable industry standards, High Mast Lighting Poles can be customized to meet specific project requirements in terms of height, load capacity, and lighting configuration. Equipped with efficient lowering and raising mechanisms for easy maintenance of luminaires, these structures facilitate safe and cost-effective operations throughout their lifecycle. With growing investments in transportation, industrial, and urban infrastructure, High Mast Lighting Poles continue to play an essential role in improving visibility, safety, operational efficiency, and the overall quality of public infrastructure.

7. FINANCIAL OVERVIEW

During FY 2025-26, the Company delivered strong operational growth, driven by higher sales volumes and improved market demand. Revenue from Operations increased by 15.35% to ₹114,935.10 lakh as compared to ₹99,637.92 lakh in FY 2024-25. Total Revenue for the year stood at ₹115,226.09 lakh against ₹99,826.22 lakh in the previous year, reflecting the Company's continued focus on expanding its market presence and strengthening customer relationships.

The Company's EBITDA (Profit before Depreciation, Interest and Taxes) improved significantly by 20.59% to ₹4,640.30 lakh during FY 2025-26 as compared to ₹3,848.14 lakh in FY 2024-25, reflecting improved operational performance and higher capacity utilization across manufacturing facilities.

Despite the robust growth in revenue and EBITDA, Profit After Tax (PAT) declined by 25.29% to ₹879.34 lakh during FY 2025-26 from ₹1,177.04 lakh in FY 2024-25. The decline in profitability was primarily attributable to higher depreciation and finance costs arising from the commissioning of the Company's Odisha manufacturing facility. Depreciation expense increased by 60.96% from ₹1,041.29 lakh to ₹1,676.14 lakh, while finance costs increased by 42.25% from ₹1,120.46 lakh to ₹1,593.88 lakh due to borrowings utilized for the expansion project. Additionally, the Company recognized an exceptional expense of ₹132.00 lakh during the year, which further impacted profitability.

The Odisha plant, which commenced commercial operations during the year, represents a significant strategic investment for the Company. Located in close proximity to major raw material sources and key markets, the facility is expected to enhance manufacturing efficiencies, strengthen the Company's market reach, and support future revenue growth. The management remains confident that as the plant gradually achieves optimal capacity utilization, the benefits of operating leverage, lower logistics costs, and improved operational efficiencies will contribute positively to the Company's profitability in the coming years.

Outlook

The Company enters FY 2026-27 with a positive outlook, supported by strong demand fundamentals in the steel and infrastructure sectors, enhanced manufacturing capabilities, and an expanded production footprint. The successful commissioning of the Odisha manufacturing facility has significantly strengthened the Company's production capacity and positioned it to capitalize on growth opportunities across eastern and northern India.

While the Company incurred higher depreciation and finance costs during the initial phase of operations of the new facility, these investments are expected to generate long-term benefits through improved operational efficiencies, optimized raw material sourcing, reduced logistics costs, and greater economies of scale. As the Odisha plant ramps up production and utilization levels improve, the Company expects a corresponding improvement in margins and profitability.

The Government's continued focus on infrastructure development, manufacturing growth, housing, transportation, power transmission, water distribution, and industrial expansion is expected to support sustained demand for steel tubes, pipes, crash barriers, transmission towers, and other value-added steel products. Backed by a diversified product portfolio, strong customer relationships, and ongoing capacity enhancement initiatives, the Company remains well-positioned to drive sustainable growth and create long-term value for its stakeholders.

8. CORPORATE SOCIAL RESPONSIBILITY

The Company truly believes that social and economic development is imperative for the evolution of a sustainable society and strives to contribute positively towards this. The well-defined Corporate Social Responsibility ("CSR") Policy outlines the beneficial contributions the Company embarks on towards the economic, environmental, and social well-being of communities. The Company is committed to make a positive influence in the communities in which it operates. It is striving tirelessly to become a consistent, credible, and responsible business partner. The Company's CSR Committee develops the CSR Policy and advises the Board about it. The Committee is responsible for monitoring various activities like waste management, sanitation initiatives, skill-based education, improving the lives of underprivileged, eradicating hunger and women & youth empowerment, as per focus area in a particular year. The Committee also supports initiatives for national missions, disaster relief and environmental sustainability. During FY 25-26, the Company invested 45.82 lakhs towards Animal Welfare, Social Welfare and education for underprivileged children.

9. RISKS AND MITIGATION STRATEGIES

Economic Risk: The demand of the steel sector is highly dependent on the steel consuming sectors, like oil and gas, construction, capital goods, consumer durables, autos, etc. Economic downturn thus will have a strong bearing on the steel demand.

Mitigation strategy: The Company has strategically diversified its geographical presence and built a strong brand equity to reduce its exposure to business cycles. In addition, a broad range of superior quality products, catering to a variety of end

user sectors, enables the Company to build a resilient business model. The robustness of the business model is well-reflected in the robust volume growth witnessed in FY 25-26 despite global economic slowdown

Supply-Demand Risk: In the event of oversupply and/or overcapacity, there will be a rise in low-cost imports to India. In such an event, steel prices may fall, impacting indigenous players.

Mitigation strategy: The Company's rich experience in the industry, global presence, broad client profile, long-standing customer relationships, technological investments and robust manpower, enable it to tap the pulse of the market. The Company closely monitors the global steel demand and market dynamics to maintain an ideal production capacity based on a realistic view. This enables the Company to reduce supply demand risk.

Competition Risk: Given the lucrative growth prospects of the steel industry, the Company face intense competition from existing players and new entrants. Any change in marketing strategies of the existing players or introduction of superior technology may lead to intensified competition.

Mitigation Strategy: The Company leverages its in-depth market knowledge, long standing customer relations and state-of-the-art technology to produce superior quality value added advanced products. The Company is on top of its marketing game and ensures robust brand equity. The Company prioritises maintaining profitable and efficient manufacturing processes. To meet the ever-evolving needs of its customers, the Company significantly invests in capacity expansion and capabilities of its strategically positioned manufacturing sites.

Input Risk: Raw materials form a significant cost component for the Company. Volatility in prices of key raw materials, thus has a significant bearing on earnings. In addition, limited availability or unavailability of any raw material may hamper the production process.

Mitigation Strategy: The Company closely monitors the fluctuation in prices of its raw materials and modifies its strategy or initiates corrective actions to ensure input risk is avoided. To reduce supply chain risk, the Company uses diversified raw material sources, both geographically and in terms of multiple vendors. Buffer inventory, long term contracts with suppliers, and close monitoring of stock levels as per demand-supply dynamics, enables the Company to minimize input risk.

Regulatory Risk: The global steel industry is highly regulated and competitive. The Company needs to comply with all applicable regulations. Failure to comply with a regulation, be it an existing one or any new one, may impact normal course of business.

Mitigation Strategy: The Company closely monitors the ever-evolving regulatory environment to ensure compliance with all applicable laws and statutes. The Company is prompt in bringing about necessary changes as may be required to comply with new/modified regulations. In addition, to enhance compliance, the Company invests in automated systems and training.

Foreign Exchange Risk: The Company has exposure to foreign currency due to trading of raw materials and finished goods across international geographies. The Company also deals in

additional payments in foreign currency. Any volatility in forex rates impacts the earnings of the Company.

Mitigation Strategy: A comprehensive Foreign Exchange (FX) risk management system enables the Company to effectively analyse and monitor currency movements. Accordingly, the Company hedges its forex position to reduce risks related to currency movement. To further reduce foreign exchange risk, the Company uses a variety of derivative financial instruments, including forward contracts.

10. HUMAN RESOURCES

The Company considers its employees as the most important asset and integral to its growth and continued success. Over the past years, the Company has increased its focus on its employee engagement and development, launching various new initiatives with the goal of attracting, engaging, retaining, and fostering key talent and diversity across the organization.

We believe that the strength of our company lies in its people, and our success is directly linked to the success and growth of our team members. We are committed to fostering an environment that encourages personal development and supports growth within a welcoming and secure atmosphere. Furthermore, we place great importance on diversity within our team and value each individual's contributions. Our ability to identify, recruit, and retain talent has been a significant factor in our growth and expansion. Our human capital is our greatest tool for shaping the future of the company and is essential to our efficient operations. The Company has implemented important HR initiatives and people management practices effectively.

11. KEY FINANCIAL RATIOS

Particulars	Unit	FY 2025-26	FY 2024-25	Reason for Change
Current Assets/Current Liabilities	Times	1.25	1.37

Profit after tax/ Net sales	Times	0.008	0.012	The ratio decreased due to an decrease in Profit after Tax.
EBIT/Average capital employed	Times	0.07	0.08	

12. HEALTH AND SAFETY MEASURES

The safety of our employees is our highest priority. Our factory managers play a crucial role in our safety initiatives, conducting regular inspections and assessments related to health, safety, and environmental (HSE) practices across all our facilities. Thanks to their efforts, we have implemented numerous measures to improve the health and safety of our workforce.

We have also formed specialized teams at each of our manufacturing locations to quickly identify and address any safety concerns. Our company enforces a strict set of health and safety guidelines that all employees must follow to ensure a safe working environment.

In light of the pandemic, we intensified our health and safety protocols. Beyond complying with government regulations, we implemented regular sanitization practices and ensured physical distancing. We also introduced periodic testing for employees and monitored entry with oximeter and thermal screenings. To support our employees during these challenging times, we launched wellness programs aimed at fostering resilience, managing change, and promoting the well-being of both employees and their families.

13. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a strong internal control system in place that is well-suited to the size and nature of its operations. These internal controls, which consist of various policies and procedures, are designed to ensure that our operations are managed effectively and are in line with the Company's strategic goals. They address key areas such as governance, compliance, auditing, control, and reporting.

Our internal controls are crucial for ensuring compliance with regulatory requirements, preventing fraud and errors, protecting the Company's assets and finances, and maintaining the accuracy and reliability of our financial transactions and reporting.

The Company's audit committee regularly reviews the effectiveness of these internal control systems. Any significant findings and recommendations are reported to management, which then takes the necessary corrective actions to ensure the continued efficiency and effectiveness of our internal controls.

14. CAUTIONARY STATEMENT

The Management Discussion and Analysis may include statements regarding the Company's objectives, plans, projections, estimates, and expectations that are considered 'forward-looking statements' under applicable securities laws and regulations. These statements are based on informed judgments and estimates. However, actual results may vary significantly from those expressed or implied due to factors outside the Company's control, both external and internal. The Company does not assume any obligation to publicly update, amend, or revise these forward-looking statements in response to future developments, new information, or events.

INDEPENDENT AUDITORS' REPORT

To the Members of Vibhor Steel Tubes Limited

(Formerly known as "Vibhor Steel Tubes Private Limited")

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **VIBHOR STEEL TUBES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Ind AS standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026 and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Director are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Director either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could

reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the **"Annexure B"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Standalone Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act
 - e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 2 (h) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
 - g) With respect to the adequacy of the internal financial controls with reference to these Ind AS standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"** to this report;-
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.

CORPORATE OVERVIEW

- ii. The Company did not have any long-term derivative contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay and in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.
- iv.
 - a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other source or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether, recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in the writing or otherwise, that the Company shall, whether directly, or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

STATUTORY REPORTS

- c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year and therefore compliance of Section 123 of the Act, is not applicable.
 - vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail, where enabled, has been preserved by the company as per the statutory requirements for record retention.
3. In our opinion, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

“Annexure A” to the Independent Auditor’s Report of Even Date on the Standalone Financial Statements of Vibhor Steel Tubes Limited (Formerly known as “Vibhor Steel Tubes Private Limited”) for the year ended March 31, 2026

[Referred to in Paragraph 2(g) under “Report on Other Legal and Regulatory Requirements” section of our report to the members of Vibhor Steel Tubes Limited]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to standalone financial statements of **VIBHOR STEEL TUBES LIMITED** (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s and Board of Directors’ Responsibility for Internal Financial Controls

The Company’s management and board of directors are responsible for establishing and maintaining internal

controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Ind AS standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial controls with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control with reference to standalone financial statements includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to these Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to these standalone financial statements and such internal financial controls with reference to these standalone financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

“Annexure B” to the Independent Auditor’s Report on the Ind AS Standalone Financial Statements of Vibhor Steel Tubes Limited (Formerly known as “Vibhor Steel Tubes Private Limited”) for the year ended March 31, 2026

[Referred to in Paragraph 1 under “Report on Other Legal and Regulatory Requirements” section of our report to the members of Vibhor Steel Tubes Limited]

Report as required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government of India in terms of sub-section (11) of the section 143 of the Company Act, 2013.

- i. (a)
 - A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - B. The Company does not have any intangible asset. Accordingly, clause 3(i)(a)(B) of the Order is not applicable.
- (b) The property, plant and equipment are physically verified by the management according to a phased programme which in our opinion, is reasonable having regard to the size of the Company and the nature of its Property, Plant and Equipment. In accordance with this program, certain Property, Plant and Equipment were physically verified by the Management during the year and no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company the title deeds of all immovable properties are held in the name of the of the Company
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated or are pending against the Company for holding any Benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. (a) According to the information and explanations given to us and on the basis of our examination inventory has been physically verified at reasonable intervals during the year, the coverage and procedure of such verification by the management is reasonable and appropriate in relation to the size and nature of its business and the discrepancies noticed between the physical stock as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of rupees five crores in aggregate from banks or financial institutions on the basis of security of current assets. The company has filed quarterly returns or statements with such banks, which are in agreement with the books of account of the Company.
- iii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the Company has not provided loan to any Company. The company has not provided any advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the terms and conditions of the grant of loans provided to companies are not prejudicial to the Company’s interest. The Company has not made any investment, given any security, provided any guarantee and has not granted any advances in nature of loans during the year to [companies, firms, Limited Liability Partnerships or any other parties].
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not provided any loan during the year, accordingly reporting under clause 3(iii) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in respect of loans and advances in the nature of loans the amount is not overdue for more than ninety days.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no fresh loan has renewed or extended granted to settle the overdue of existing loans giving to same parties.
- (f) As per information and explanations given to us, during the year the company has not provided loans or advances in nature of loans either repayable on demand or without specifying any terms or period of repayment. Accordingly, the provision of clause 3 (iii)(f) of order is not applicable.
- iv. According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. Accordingly reporting under clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, during the year the Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- vi. We have broadly reviewed books of account maintained by

the Company pursuant to the rules prescribed by the Central Government of India for the maintenance of cost records under sub-section 1 of Section 148 of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed records and accounts have been made and maintained. However, we have not carried out a detailed examination of such records with a view to determine whether they are accurate or complete.

- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax ('GST'), Provident fund, Employees' State Insurance, Income-tax, Duty of Customs, Cess and other material statutory dues have generally been regularly deposited with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of GST, Provident fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues were in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
- (b) According to the records and information and explanations given to us, there are no dues in respect of income tax, sales tax, service tax, duty of excise, duty of custom, or value added tax, Goods and Service Tax (GST) and other material statutory dues which have not been deposited by the company on account of disputes.
- viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loan or other borrowing or in payment of interest thereon to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short term basis have been utilized for long term purposes.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3 (x) (a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanation given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor we have been informed of any such case by the Management. Accordingly, reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by Cost Auditor and Secretarial Auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii)(a)(b)(c) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us and based on our examination of the record of the Company transactions with the Related Parties are in compliance with Section 177 and 188 of Companies Act, 2013 where applicable and relevant details of such transactions have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards.
- xiv. (a) Based on information and explanations provided to us, the Company has an Internal Audit System commensurate with the size and nature of its business.
- (b) The Internal Audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected

with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

- xvi. (a) The provisions of Section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the record of the Company, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Accordingly, reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us and based on our examination of the record of the Company, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on the information and explanations provided by the management of the Company, the Group does not have any CIC as part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, the Company has not incurred cash losses in the current and in the immediately preceding financial year. Accordingly, the requirement to report under clause 3(xvii) of the Order is not applicable to the Company.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly, the reporting under clause 3 (xviii) of the Order is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios disclosed in the standalone financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes

us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. (a) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, in respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act.
- (b) The Company has not undertaken any ongoing project during the financial year. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable to the Company.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, the requirement to report on clause 3(xxi) of the Order is not applicable to the Company.

Nature and purpose of reserves:

Retained earnings represent unallocated/un-distributed profits of the Company. The amount that can be distributed as dividend by the Company as dividends to its equity shareholders is determined based on the separate financial statements of the Company and also considering the requirements of the Companies Act, 2013. Thus amount reported above are not distributable in entirety.

Other comprehensive income consists of remeasuement of defined benefit liability and debt instruments measured through other comprehensive income , net of taxes.

Securities premium is created on excess amount received over and above the face value on issue of the shares and securities. The securities premium can be utilised in accordance with the provisions of Section 52 of the Companies Act 2013. These include issue of bonus shares and writing of expenses incurred such as commission etc. on issue of shares/securities.

See accompanying Notes forming part of the Financial Statements.

Notes as at 31st March, 2026

1. COMPANY OVERVIEW

Vibhor Steel Tubes Private Limited was incorporated on April 16, 2003 with Registrar of Companies (ROC), Delhi under the provisions of Companies Act 1956. Thereafter, the name of our Company was changed from 'Vibhor Steel Tubes Private Limited' to 'Vibhor Steel Tubes Limited' upon conversion of the Company from Private to Public Company pursuant to a special resolution passed by the shareholders of our Company on June 14, 2023 and a fresh certificate of incorporation consequent to change of name from Vibhor Steel Tubes Private limited to Vibhor Steel Tubes Limited was issued by ROC on 07 July 2023. The Company's Corporate Identity Number is L27109HR2003PLC035091. The company is engaged in the business of manufacturing of ERW Pipes & Tubes, Galvanized Pipes & Tubes, Transmission Line Towers, Crash Barriers and Octagonal Poles.

The Registered office of company is situated at Plot No. 2, Industrial Development Colony, Delhi Road Hisar Haryana 125005 India.

2. MATERIAL ACCOUNTING POLICIES

2.1 STATEMENT OF COMPLIANCE

The financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended, issued by Ministry of Corporate Affairs under section 133 of the Companies Act 2013 ("the Act"). In addition, the Guidance Notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) from time to time are also applied except where compliance with other statutory promulgations require a different treatment. These financial statements have been approved for issue by the Board of Directors at their meeting held on May 20, 2026.

2.2 BASIS OF PREPARATION

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, and the provisions of the Companies Act, 2013 ('the Act') (to the extent notified). The Ind AS is prescribed under Section 133 of The Companies Act, 2013.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Going Concern :

The financials statements have been prepared on a going concern basis using historical cost convention, except for the Net defined Benefit (asset)/ liability measured at Fair Value of Plan Assets less Present value of defined benefit obligations.

2.3 USE OF ESTIMATES

The preparation of the financial statements is in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, revenues and expenses the disclosures of contingent assets and liabilities at the date of the financial statements. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates.

The estimates and underlying assumptions are reviewed on going concern basis.

Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period. If the revision affects both current and future period, the same is recognised accordingly.

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Information about estimates and judgements made in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are disclosed in Note 2.5.

2.4 SUMMARY OF MATERIAL ACCOUNTING POLICIES

i) CURRENT V/S NON-CURRENT CLASSIFICATION

The company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle.
- it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;

- it is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Based on the nature of service and the time between rendering of services and their realization in cash and cash equivalents, 12 months has been considered by the company for the purpose of current / non-current classification of assets and liabilities.

ii) FUNCTIONAL AND PRESENTATION CURRENCY

Amounts in the financial statements are presented in Indian Rupee (₹) in lakhs rounded off to two decimal places as permitted by Schedule III to the Act.

iii) PROPERTY, PLANT AND EQUIPMENT (PPE):

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The initial cost of PPE comprises its purchase cost, including import duties and non refundable purchase taxes, directly attributable costs of bringing an asset to working condition and location for its intended use. Borrowing costs in case of qualifying assets are capitalised in accordance with the Company's accounting policy. Freehold Land is carried at historical costs. Other PPE is stated at original cost net of tax/duty credits availed, if any less accumulated depreciation and cumulative impairment, if any. If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major component) of PPE. Likewise, expenditure towards major inspections and overhauls are identified as separate component and depreciated over the expected period till the next overhaul expenditure.

Under the previous GAAP, property, plant and equipment were carried at historical cost less depreciation and impairment losses, if any. On transition to Ind AS, the company has availed the optional exemption under Ind AS 101 and accordingly it has used the carrying value as at the date of transitions as the deemed cost of the property, plant & equipment under Ind AS.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress". Advances given towards acquisition or construction of PPE are disclosed separately as "Capital Advances". At the point when an asset is capable of operating in the manner as intended by the management, the cost of construction is transferred to the appropriate category of PPE. Cost associated with commissioning of an asset are capitalized until the period of commissioning has been completed and asset is ready for its intended use.

Depreciation is recognised using written down value method so as to write off the cost of the assets (other than freehold land and capital work-in-progress) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Depreciation commences when the assets are ready for the intended use. Depreciation on additions to deductions from, owned assets is calculated pro rata to the period of use.

PPE is de recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de recognition is recognised in the Statement of Profit and Loss in the same period.

The estimated useful lives, residual values and depreciation method are reviewed at each financial year end and the effect of any change is accounted for on prospective basis.

The carrying amount of the all property, plant and equipment are derecognized on its disposal or when no future economic benefits are expected from its use or disposal and the gain or loss on de-recognition is recognized in the statement of profit & loss.

iv) FINANCIAL INSTRUMENTS-INITIAL RECOGNITION,SUBSEQUENT MEASUREMENT AND IMPAIRMENT

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

(a) Initial recognition and measurement:

All financial assets are recognised initially at fair value and, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset, are added to or deducted from the fair value on initial recognition.

(b) Subsequent measurement

For purposes of subsequent measurement financial assets are classified in two broad categories:

: Financial assets at fair value

: Financial assets at amortised cost

(c) Classification:

The company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

(d) Financial assets measured at amortised cost:

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely for payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of profit and loss. This category generally applies to trade and other receivables.

(e) Financial assets measured at fair value through other comprehensive income (FVTOCI):

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(f) Financial assets measured at fair value through profit or loss (FVTPL):

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss.

(g) Investment in Equity Instruments:

Equity instruments which are held for trading are classified as at FVTPL. All other equity instruments are classified as FVTOCI. Fair value changes on the instrument, excluding dividends, are recognized in the other comprehensive income. There is no recycling of the amounts from other comprehensive income to profit or loss.

(h) Derecognition of Financial assets:

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the company has transferred its rights to receive cash flows from the asset, if an entity transfers a financial asset in a transfer that qualifies for derecognition in its entirety and retains the right to service the financial asset for a fee, it shall recognise either a servicing asset or a servicing liability for that servicing contract. If the fee to be received is not expected to compensate the entity adequately for performing the servicing, a servicing liability for the servicing obligation shall be recognised at its fair value. If the fee to be received is expected to be more than adequate compensation for the servicing, a servicing asset shall be recognised for the servicing right at an amount determined on the basis of an allocation of the carrying amount of the larger financial asset.

(i) Impairment of Financial assets:

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments and trade receivables. For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition.

Financial Liabilities

(a) Initial recognition and measurement:

All financial liabilities are recognised initially at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

(b) Classification & Subsequent measurement:

If a financial instrument that was previously recognised as a financial asset is measured at fair value through profit or loss and its fair value decreases below zero, it is a financial liability measured in accordance with IND AS. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term.

The company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Financial liabilities at amortised cost (Loans and borrowings) :

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. After initial recognition Gain and Liabilities held for Trading are recognised in statement of profit and Loss Account.

Financial liabilities at fair value through profit or loss :

Financial liabilities at fair value through profit or loss include financial liabilities held for trading or financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the consolidated statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/ losses are not subsequently transferred to P&L. However, the group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the consolidated statement of profit and loss.

(d) Derecognition of Financial Liabilities:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis to realise the asset and settle the liability simultaneously. Subsequent recoveries of amounts previously written off are credited to Other Income.

v) CASH AND CASH EQUIVALENTS

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management. Cash Flow Statement has been prepared using Indirect Method.

vi) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

(a) General

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, the amount of a provision shall be the present value of expense expected to be required to settle the obligation. Provisions are therefore discounted, when effect is material, The discount rate shall be pre-tax rate that reflects current market assessment of time value of money and risk specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

(b) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity, Contingent assets are not recognised, but are disclosed in the notes. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

vii) SHARE CAPITAL AND SECURITIES PREMIUM

Ordinary shares are classified as Equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Par value of the equity share is recorded as share capital and the amount received in excess of the par value is classified as securities premium.

viii) REVENUES

(a) Sale of products/goods

Revenue from sale of product/goods is recognized at the point in time when control of asset is transferred to the customer, generally on the delivery of the product/goods and there is no uncertainty in receiving the same and there is reasonable assurance that the Company will comply with the conditions attached to them.

The Company considers whether there are other promises in the contracts that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price for the sale of products/goods, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

Variable consideration: If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognized will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Some contracts for the sale of Products/Goods provide customers with a right of return and volume rebates. The rights of return and volume rebates give rise to variable consideration.

Contract Balances: If an entity performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, the entity shall present the contract as a contract asset, excluding any amounts presented as a receivable. A contract asset is an entity's right to consideration in exchange for goods or services that the entity has transferred to a customer. Similarly, an entity shall recognize contract liability when there is an entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or an amount of consideration is due) from the customer.

Trade credit: In case of exceptional trade credit agreed with the customers which contain a significant financing component, the transaction price for such trade receivables are discounted, using the rate that would be reflected in a separate financing transaction between the Company and its customers at transaction inception, to take into consideration the significant financing component.

The Company identifies contract assets when the right to consideration in exchange for goods or services transferred to a customer is conditioned on something other than the passage of time and identifies contract liabilities when there is an obligation to transfer goods or services to a customer for which the Company has received consideration.

(a) Sale of services

Revenue from rendering of services is recognised over time as the customer receives the benefit of the Company's performance and the Company has an enforceable right to payment for services transferred.

(b) Other Income

- A. Interest income is recognised on a time proportion basis.
- B. Other items of income accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

ix) TAXATION

(a) Current tax

Current tax is expected tax payable on the taxable income for the year, using the tax rate enacted at the reporting date, and any adjustment to the tax payable in respect of the earlier periods.

Current tax assets and liabilities are offset where the company has legal enforceable right to offset and intends either to settle on net basis, or to realize the assets and settle the liability simultaneously.

(b) Deferred tax

Deferred tax is recognized for all taxable temporary differences and is calculated based on the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognized only to the extent that it is probable that future taxable profits will be available against which the assets can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset and when the deferred tax balances relate to taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but the company intends to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

(C) Current and Deferred Tax for the Year

Current and deferred tax are recognized in the statement of profit & loss, except when they relates to items that are recognized in other comprehensive income or directly in equity, in which case, the current tax and deferred tax is recognized directly in other comprehensive income or equity respectively.

x) EARNING PER SHARE

Basic Earnings Per Share is computed by dividing the net profit attributable to the equity shareholders of the company to the weighted average number of Shares outstanding during the period & Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders of the company after adjusting the effect of all dilutive potential equity shares that were outstanding during the period. The weighted average number of shares outstanding during the period includes the weighted average number of equity shares that could have issued upon conversion of all dilutive potential.

xi) COMMITMENTS

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- (i) estimated amount of contracts remaining to be executed on capital account and not provided for
- (ii) uncalled liability on shares and other investments partly paid;
- (iii) funding related commitment to subsidiary

xii) EMPLOYEE BENEFITS

The company provides for the various benefits plans to the employees. These are categorized into Defined Benefits Plans and Defined Contributions Plans. Defined contribution plans includes the amount paid by the company towards the liability for Provident fund to the employees provident fund organization and Employee State Insurance fund in respect of ESI and defined benefits plans includes the retirement benefits, such as gratuity.

- a. In respect Defined Contribution Plans, contribution made to the specified fund based on the services rendered by the employees are charged to Statement of Profit & Loss in the year in which services are rendered by the employee.
- b. Liability in respect of Defined Long Term benefit plan is determined at the present value of the amounts payable determined using actuarial valuation techniques performed by an independent actuarial at each balance sheet date using the projected unit credit methods. Re-measurement, comprising actuarial gain and losses, the effects of assets ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of Financial Position with a charge or credit recognized in other comprehensive income in the period in which they occur. Past Service cost is recognized in the statement of profit & loss in the period of plan amendment.
- c. Liabilities for short term employee benefits are measured at undiscounted amount of the benefits expected to be paid and charged to Statement of Profit & Loss in the year in which the related service is rendered such as salaries, wages, short-term compensated absences, etc. and the expected cost of bonus, ex-gratia

xiii) INVENTORIES

Inventories are carried in the balance sheet as follows:

Raw material, Stores & Spares: At cost where cost includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.

Finished goods: At lower of cost or net realizable value.

Stock in transit: At lower of cost net realizable value.

Inventories are valued at the lower of cost (First in First Out - FIFO basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes cost of purchase, all charges in bringing the goods to the point of sale, including indirect levies, transit insurance and receiving charges. Finished goods include appropriate proportion of overheads and, where applicable.

Rejection and scrap

Rejection and scrap are valued at net realisable value.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

ix) LEASES

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether :

- (i) the contract involves the use of an identified asset
- (ii) the company has substantially all of the economic benefits from use of the asset through the period of the lease, and
- (iii) the company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right of use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for the leases with a term of 12 months (short term) or less and low value leases. For these short term and low value leases, the company recognizes the lease payments as an operating expenses on a straight line basis over the term of the lease.

Right of use assets are recognised on the date of lease commencement (i.e. the date the underlying asset is available for use). Right of use assets are measured at cost, less any accumulated depreciation, impairment losses and adjusted for any remeasurement of lease liabilities. Right of use assets are depreciated on a straight line basis over the lease term. Right of use assets are evaluated for recoverability whenever events or changes in the circumstances indicate their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

The lease liability is initially measured at amortised cost at the present value of the future payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are measured with a corresponding adjustment to the related right of use asset if the company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the balance sheet and lease payments have been classified as financing cash flows.

x) FOREIGN CURRENCY REINSTATEMENT AND TRANSLATION

a) Functional and presentation currency

Standalone financial statements have been presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

b) Transactions and balances

Transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items are measured in terms of historical cost in foreign currencies and are therefore not retranslated.

xi) DERIVATIVE FINANCIAL INSTRUMENTS:

The Company uses derivative financial instruments, such as forward contracts to hedge its foreign currency exposure. The recognizing of the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, on the nature of the item being hedged. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

Fair value hedge

The Company designates derivative contracts or non-derivative financial assets/ liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortized to Statement of Profit and Loss over the period of maturity.

xii) BORROWING COSTS

- a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalized as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. Where funds are borrowed specifically to finance a project, the amount capitalised represents the actual borrowing costs incurred. Where surplus funds are available out of money borrowed specifically to finance a project, the income generated from such short term investments is deducted from the total capitalised borrowing cost. Where the funds used to finance a project form part of general borrowings, the amount capitalised is calculated using a weighted average of rates applicable to relevant general borrowings of the company during the year. Capitalisation of borrowing costs is suspended and charged to the statement of profit and loss during the extended periods when the active development on the qualifying asset is suspended.
- b) All other borrowing costs are recognized as expense in the period in which they are incurred.
- c) EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial liability or a shorter period, where appropriate, to the amortised cost of a financial liability. When calculating the effective interest rate (EIR) the company estimates the expected cash flows by considering all the contractual terms of the financial instrument.

xii) FAIR VALUE MEASUREMENT

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

xiii) EVENTS OCCURRING AFTER REPORTING PERIOD

Events after the reporting period are those events, favorable and unfavorable, that occur between the end of the reporting period and the date when the financial statements are approved by the Board of Directors in case of a Company, and, by the corresponding approving authority in case of any other entity for issue. Two types of events can be identified:

- (a) Those that provide evidence of conditions that existed at the end of the reporting period (adjusting events after the reporting period); and
- (b) Those that is indicative of conditions that arose after the reporting period (non-adjusting events after the reporting period)

2.5) CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

In the process of applying the company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement:

(i) Property, plant and equipment

On transition to Ind AS, the company has adopted optional exemption under IND AS 101 for fair valuation of property, plant and equipment. and investment properties. Management believes that the assigned fair value, useful lives and residual value are reasonable.

(ii) Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

(iii) Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the company as it is not possible to predict the outcome of pending matters with accuracy.

(iv) Allowance for uncollectable accounts receivable and advances

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

2.6) STANDARDS ISSUED BUT NOT YET EFFECTIVE

"The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. The following amendments have been issued by MCA which are applicable for the Company but not yet effective:

- (i) Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants and Ind AS 10 Events after the Reporting Period
 - (a) breach of a covenant whether material or Immaterial of a long-term loan arrangement occurring on or before the reporting date, which is subsequently waived by the lender after the reporting date but before approval of the financial statements, will no longer be considered while classifying the liability as non-current as at the reporting date; and
 - (b) the entity's expectation, as at the reporting date, of rolling over an obligation for at least twelve months after the reporting period will no longer, by itself, be sufficient to classify the liability as non-current, unless the entity has an unconditional right to defer settlement at the reporting date.

Consequently, Ind AS 10 has been amended to clarify that a lender's waiver of a covenant breach, granted after the reporting date, shall not be treated as an adjusting event for the purpose of classifying the related liability as current or non-current.

The amendments are effective for annual reporting periods beginning on or after 1 April 2026

These amended standards and interpretations are not expected to have a significant impact on the Company's financial statements."

(All amounts in Indian Rupees Lacs, unless otherwise stated)

*Note: The Company had participated in an auction of property conducted by Bank and had paid an amount of ₹1.32 crores towards earnest money deposit/instalment in connection with the said auction. Due to delay in payment of the subsequent instalment(s) as per the terms of the auction, the Bank forfeited the said amount in accordance with the terms and conditions of the auction/sale. Consequently, the amount of ₹1.32 crores has been written off as non-recoverable and disclosed as an exceptional item in the Statement of Profit and Loss, in view of its size and non-recurring nature.

- Maharashtra Pollution Control Board	14.50	14.50
-Head Quarter Chief Engineering	5.60	5.60
-Pioneer Wincom Engineer	12.66	12.66
-The Commissioner of Customs JNPT	539.09	
-Telangana Pollution Control Board	12.00	
Total	670.35	119.26

Note 39 : EMPLOYEE BENEFIT OBLIGATIONS

Particulars	As at March 31,2026	
	Current	Non Current
Gratuity		
Present value of defined benefit obligation	18.63	155.45
Total employee benefit obligations	18.63	155.45

Particulars	As at March 31,2026	
	Current	Non Current
Gratuity		
Present value of defined benefit obligation	17.82	128.52
Total employee benefit obligations	17.82	128.52

(a) Defined Benefit Plans**Gratuity**

The Company operates a defined benefit gratuity plan for its employees. The gratuity scheme provides for lump sum payment to vested employees at retirement/death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of 6 months subject to a limit of INR 20.00 lakhs (March 31, 2026: INR 20.00 lakhs and March 31, 2025: INR 20.00 lakhs)

i) Movement of defined benefit obligation :

The amounts recognised in the balance sheet and the movements in the net defined benefit obligation over the year are as follows:

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Opening defined benefit obligation (A)	146.34	125.56
Service cost	44.80	37.45
Past service cost	-	-
Interest cost	10.23	9.10
Benefits Paid	(14.77)	(29.13)
Expected return on plan assets		
Total amount recognised in profit or loss (B)	186.60	142.99
Remeasurements		
Effect of change in financial assumptions	(9.94)	3.73
Effect of change in demographic assumptions	-	-
Effect of experience adjustments	(2.58)	(0.38)
Total amount recognised in other comprehensive income (C)	(12.52)	3.35
Closing defined benefit obligation (A+B+C)	174.08	146.34

(All amounts in Indian Rupees Lacs, unless otherwise stated)

ii) Net benefit asset/ (liability) recognised in the balance sheet

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Present value of defined benefit obligation at the end of the period	174.08	146.34
Less: Fair value of plan assets at the end of the period	-	-
Net benefit liability/(asset)	174.08	146.34

iii) Principal assumptions used in determining gratuity obligations for the Company's plan are shown below:

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Discount Rate	7.54%	6.99%
Salary Growth Rate	5.00%	5.00%
Expected Rate of Return on Plan Assets	N.A	N.A
Normal Age of Retirement	58 years	58 years
Withdrawal Rate	10.00%	10.00%
Mortality Table	100% IALM (2012-14) Ultimate	100% IALM (2012-14) Ultimate

Notes :

- (1) The discount rate is based on the prevailing market yield of Indian Government Securities as at Balance Sheet date for the estimated term of obligation.
- (2) The estimate of future salary increase considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

(iv) Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is :

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
(a) Impact of Discount rate on defined benefit obligation		
Increased by 0.50%	(8.98)	(7.60)
Decreased by 0.50%	9.83	8.34
(b) Impact of Salary Escalation rate on defined benefit obligation		
Increased by 0.50%	10.03	8.46
Decreased by 0.50%	(9.23)	(7.77)
(c) Impact of Withdrawal rate on defined benefit obligation		
Increased by 1.00%	-	-
Decreased by 1.00%	-	-

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method i.e. projected unit credit method has been applied as that used for calculating the defined benefit liability recognised in the balance sheet.

v) Risk Exposure

The defined benefit obligations have the undermentioned risk exposures :

Interest rate risk : The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary Inflation risk : Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk : This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria.

Investment risk : The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to high quality corporate bond yields; if the return on plan asset is below this rate, it will create a plan deficit.

(All amounts in Indian Rupees Lacs, unless otherwise stated)

vi) Defined benefit liability and employer contributions

The weighted average duration of the defined benefit obligation is 33.36 years (March 31, 2025 : 32.32 years).

The expected maturity analysis of undiscounted gratuity is as follows:

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Less than a year	18.63	17.82
Between 1 - 2 years	6.77	3.28
Between 2 - 3 years	5.45	9.43
Between 3 - 4 years	6.95	5.17
Between 4 - 5 years	8.84	5.65
Beyond 5 years	127.44	104.99

B) Defined Contribution Plan

The Company has a defined contribution plan in respect of provident fund. Contributions are made to provident fund and employees state insurance in India for employees at the rate as prescribed in the regulations. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation.

The Company has recognized the following amounts towards defined contribution plan in the Statement of Profit and Loss –

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Employer's Contribution to Provident Fund and other funds	89.77	91.36

Included in 'Contribution to provident and other funds' under Employee Benefits Expense (Refer SCHEDULE 29)

Gross Amount required to be spent by the company during the reporting year	46.12	45.12
Amount of expenditure incurred	45.82	25.31
Excess spent carried forward from period/ year's	0.40	20.21
Shortfall at the end of the period/year	NIL	NIL
Total of previous period/year shortfall	NIL	NIL
Reason for shortfall	NIL	NIL
Excess to be carried forward next year	0.09	0.40
Nature of CSR Activities	Cow/ Animal health care and welfare etc.	Cow/ Animal health care and welfare etc.

Note 42: FINANCIAL INSTRUMENTS**Fair value of financial assets and liabilities**

The fair value of the financial assets and liabilities are included at the amount at which the instruments could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Comparison by class of the carrying amounts and fair value of the Company's financial instruments that are recognised in the financial statements are set out below.

The carrying value and fair value of financial instruments by categories as of March 31, 2026 were as follows:

(INR in lacs)

Particulars	Amortised cost	Fair value	Total Carrying value	Total Fair value
Assets:				
Non Current				
Other financial assets	1,514.94	-	1,514.94	1,514.94
Current				
Trade receivables	5,531.40	-	5,531.40	5,531.40
Cash and cash equivalents	1,602.73	-	1,602.73	1,602.73
Other financial assets	1,351.03	-	1,351.03	1,351.03
Liabilities:				
Non Current				
Borrowings	5,073.36	-	5,073.36	5,073.36
ROU Liability	22.04	-	22.04	22.04
Current				
Borrowings	14,176.43	-	14,176.43	14,176.43
Trade payables	2,719.98	-	2,719.98	2,719.98
Other financial liabilities	1,173.45	-	1,173.45	1,173.45

(All amounts in Indian Rupees Lacs, unless otherwise stated)

The carrying value and fair value of financial instruments by categories as of March 31, 2025 were as follows:

(INR in lacs)

Particulars	Amortised cost	Fair value	Total Carrying value	Total Fair value
Assets:				
Non Current				
Other financial assets	405.38	-	405.38	405.38
Current				
Trade receivables	7,186.53	-	7,186.53	7,186.53
Cash and cash equivalents	1,865.32	-	1,865.32	1,865.32
Other financial assets	1,590.55	-	1,590.55	1,590.55
Liabilities:				
Non Current				
Borrowings	4,583.73	-	4,583.73	4,583.73
ROU Liability	21.58	-	21.58	21.58
Current	-			
Borrowings	12,472.03	-	12,472.03	12,472.03
Trade payables	8,651.65	-	8,651.65	8,651.65
Other financial liabilities	629.38	-	629.38	629.38

The following methods and assumptions were used to estimate the fair values:

1. The carrying amount of Trade receivables, Trade payables and Cash & cash equivalent are considered to be their fair values due to their short term nature.
2. The carrying amount of the financial assets and liabilities carried at amortised cost is considered a reasonable approximation of fair value.
3. The Investment in Mutual Fund and Non Convertible Debentures is measured at NAV, being the fair value as on reporting date.
4. Lease Liabilities are measured at Amortised Cost, the carrying amount approximate to Fair Value, as lease liabilities are recognized based on the present value of the remaining lease payments.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets and liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable either directly or indirectly

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

Note 43

A) FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities comprise loans, borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds investments.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans and borrowings.

The Company has no direct exposure to foreign currency risk.

(All amounts in Indian Rupees Lacs, unless otherwise stated)

-Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Company's policy is to borrow funds at fixed and floating rate of interest.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including investments, deposits with banks and financial institutions and other financial instruments.

(i) Trade receivables

Customer credit risk is managed by the Company's established policies, procedures and controls relating to customer credit risk management. Credit quality of a customer is assessed based on an individual credit limits and are defined in accordance with management's assessment of the customer. Outstanding customer receivables are regularly monitored. The concentration of credit risk is limited due to the fact that the customer base is large. An impairment analysis is performed at each reporting date using a provision matrix to measure expected credit losses. The Company uses ageing buckets and provision matrix for the purpose of computation of expected credit loss. The provision rates are based on past trend of recoverability. The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions.

(ii) Financial instruments and bank deposits

Credit risk from balances with banks is managed by the management in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties based on limits defined by the management. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(c) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans and finance leases. The Company closely monitors its liquidity position and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents and sufficient committed fund facilities, will provide liquidity. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The carrying amounts are assumed to be reasonable approximation of fair value.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Particulars	Next 12 months	1 to 5 years	> 5 years	Total
March 31, 2026				
Borrowings	14,176.43	5,005.18	68.18	19,249.79
Trade payables	2,719.84	0.14	-	2,719.98

B) Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio between 0% and 25%. The Company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents.

(All amounts in Indian Rupees Lacs, unless otherwise stated)

Particulars	As at	
	March 31, 2026	March 31, 2025
Borrowings [including current borrowings]	19,249.79	17,055.76
Less: Cash and cash equivalents	439.93	292.68
Net debt (A)	18,809.87	16,763.07
Equity (refer Note 14 and 15)	19,700.09	18,812.22
Total capital (B)	19,700.09	18,812.22
Capital and net debt (C = A+B)	38,509.95	35,575.29
Gearing ratio (D = A/C)	0.49	0.47

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

Note 44: RECONCILIATION OF LIABILITIES ARISING FROM FINANCING ACTIVITIES

Particulars	Opening Balance as at April 1, 2025	Net Cash Flow	Closing Balance as at March 31, 2026
